9449 Andrew St.
(Off Van Buren Blvd. south of Magnolia Ave.)

Magnolia Center Fire Station 3
6395 Riverside Ave.
(Between Central and Arlington Aves.)

Sample Container

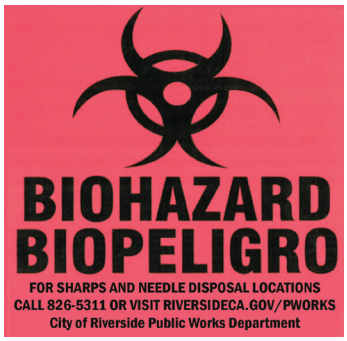
Help preserve our environment by properly disposing of needles/sharps which are hazardous waste

- Sharps must be inside a sealed container, such as a sharps disposal container or a hard-sided PLASTIC container such as a bleach or laundry detergent bottle with a secure lid.
- Containers that hold food products are not appropriate for use.
- Containers must have a label that states "Biohazard". Labels can be downloaded from the internet at: riversideca.gov/publicworks/trash/HHW-sharps.asp or rivcowm.org/opencms/hhw/pdf/88751-Biohazard-labels.pdf
- Residents will not be allowed to keep their container, it must be placed whole into the barrel.

Alternative Recycling Locations and Options:

Riverside County Hazardous Waste Facility
1780 Agua Mansa Rd., Riverside
Every NON-holiday Saturday from 9 a.m. to 2 p.m.

For information about other locations:
calrecycle.ca.gov/homehazwaste/healthcare/collection/default.aspx



Sample Label

It's unlawful to put medical sharps such as hypodermic needles, lancets, pen needles etc. into curbside collection recycle or trash containers.
