I certify that I am the owner(s) or tenant(s) of the real property where the improvements have been installed and that I have not previously received, or applied for, other utility financing or incentives for the improvements on this application. I also certify that the foregoing information is true and correct. I understand and agree that the choice of improvements, the selection of contractors, the purchase of items and acceptance of materials used and work performed and the payments thereof is my responsibility. I understand that I will be fully liable for any damage to person or property that may be caused by the installation and/or operation of the equipment involved. I understand that Riverside Public Utilities does not endorse, recommend or make any representations as to specific brands, products, contractors or dealers nor does it guarantee material or workmanship. I further agree to indemnify and hold harmless the City of Riverside, its officers, employees, and agents from any damages related to the use or installation of the photovoltaic system or related equipment. All renewable energy credits (REC), along with all environmental attributes associated with residential solar installations that have received rebates from Riverside Public Utilities (RPU) will be the property of RPU. Additionally, customers receiving rebates for residential solar installations agree to transfer all rights, titles, and interest thay have to RECs and environmental attributes to RPU.
