Oil and Water Don't Mix.

Used motor oil should NEVER be poured onto the ground, into storm drains or tossed into trash cans (even in a sealed container), because it contains toxins which contaminate the soil, groundwater, streams and rivers.

The City of Riverside invites you to

Recycle Used Oil and Filters
Get a FREE Oil Filter

Saturday, January 10, 2015

Join us at

O'Reilly Auto Parts

1691 University Ave., Riverside

(corner of University & Chicago Aves.)

9:00 a.m. to 1:00 p.m.

Bring up to five gallons of used motor oil to be recycled and pick up a free container for used oil.

Also bring your used oil filters and get a new one at no charge (limit two filters per customer).

For more information call (951) 826-5311 or visit RiversideCa.gov/CURE
