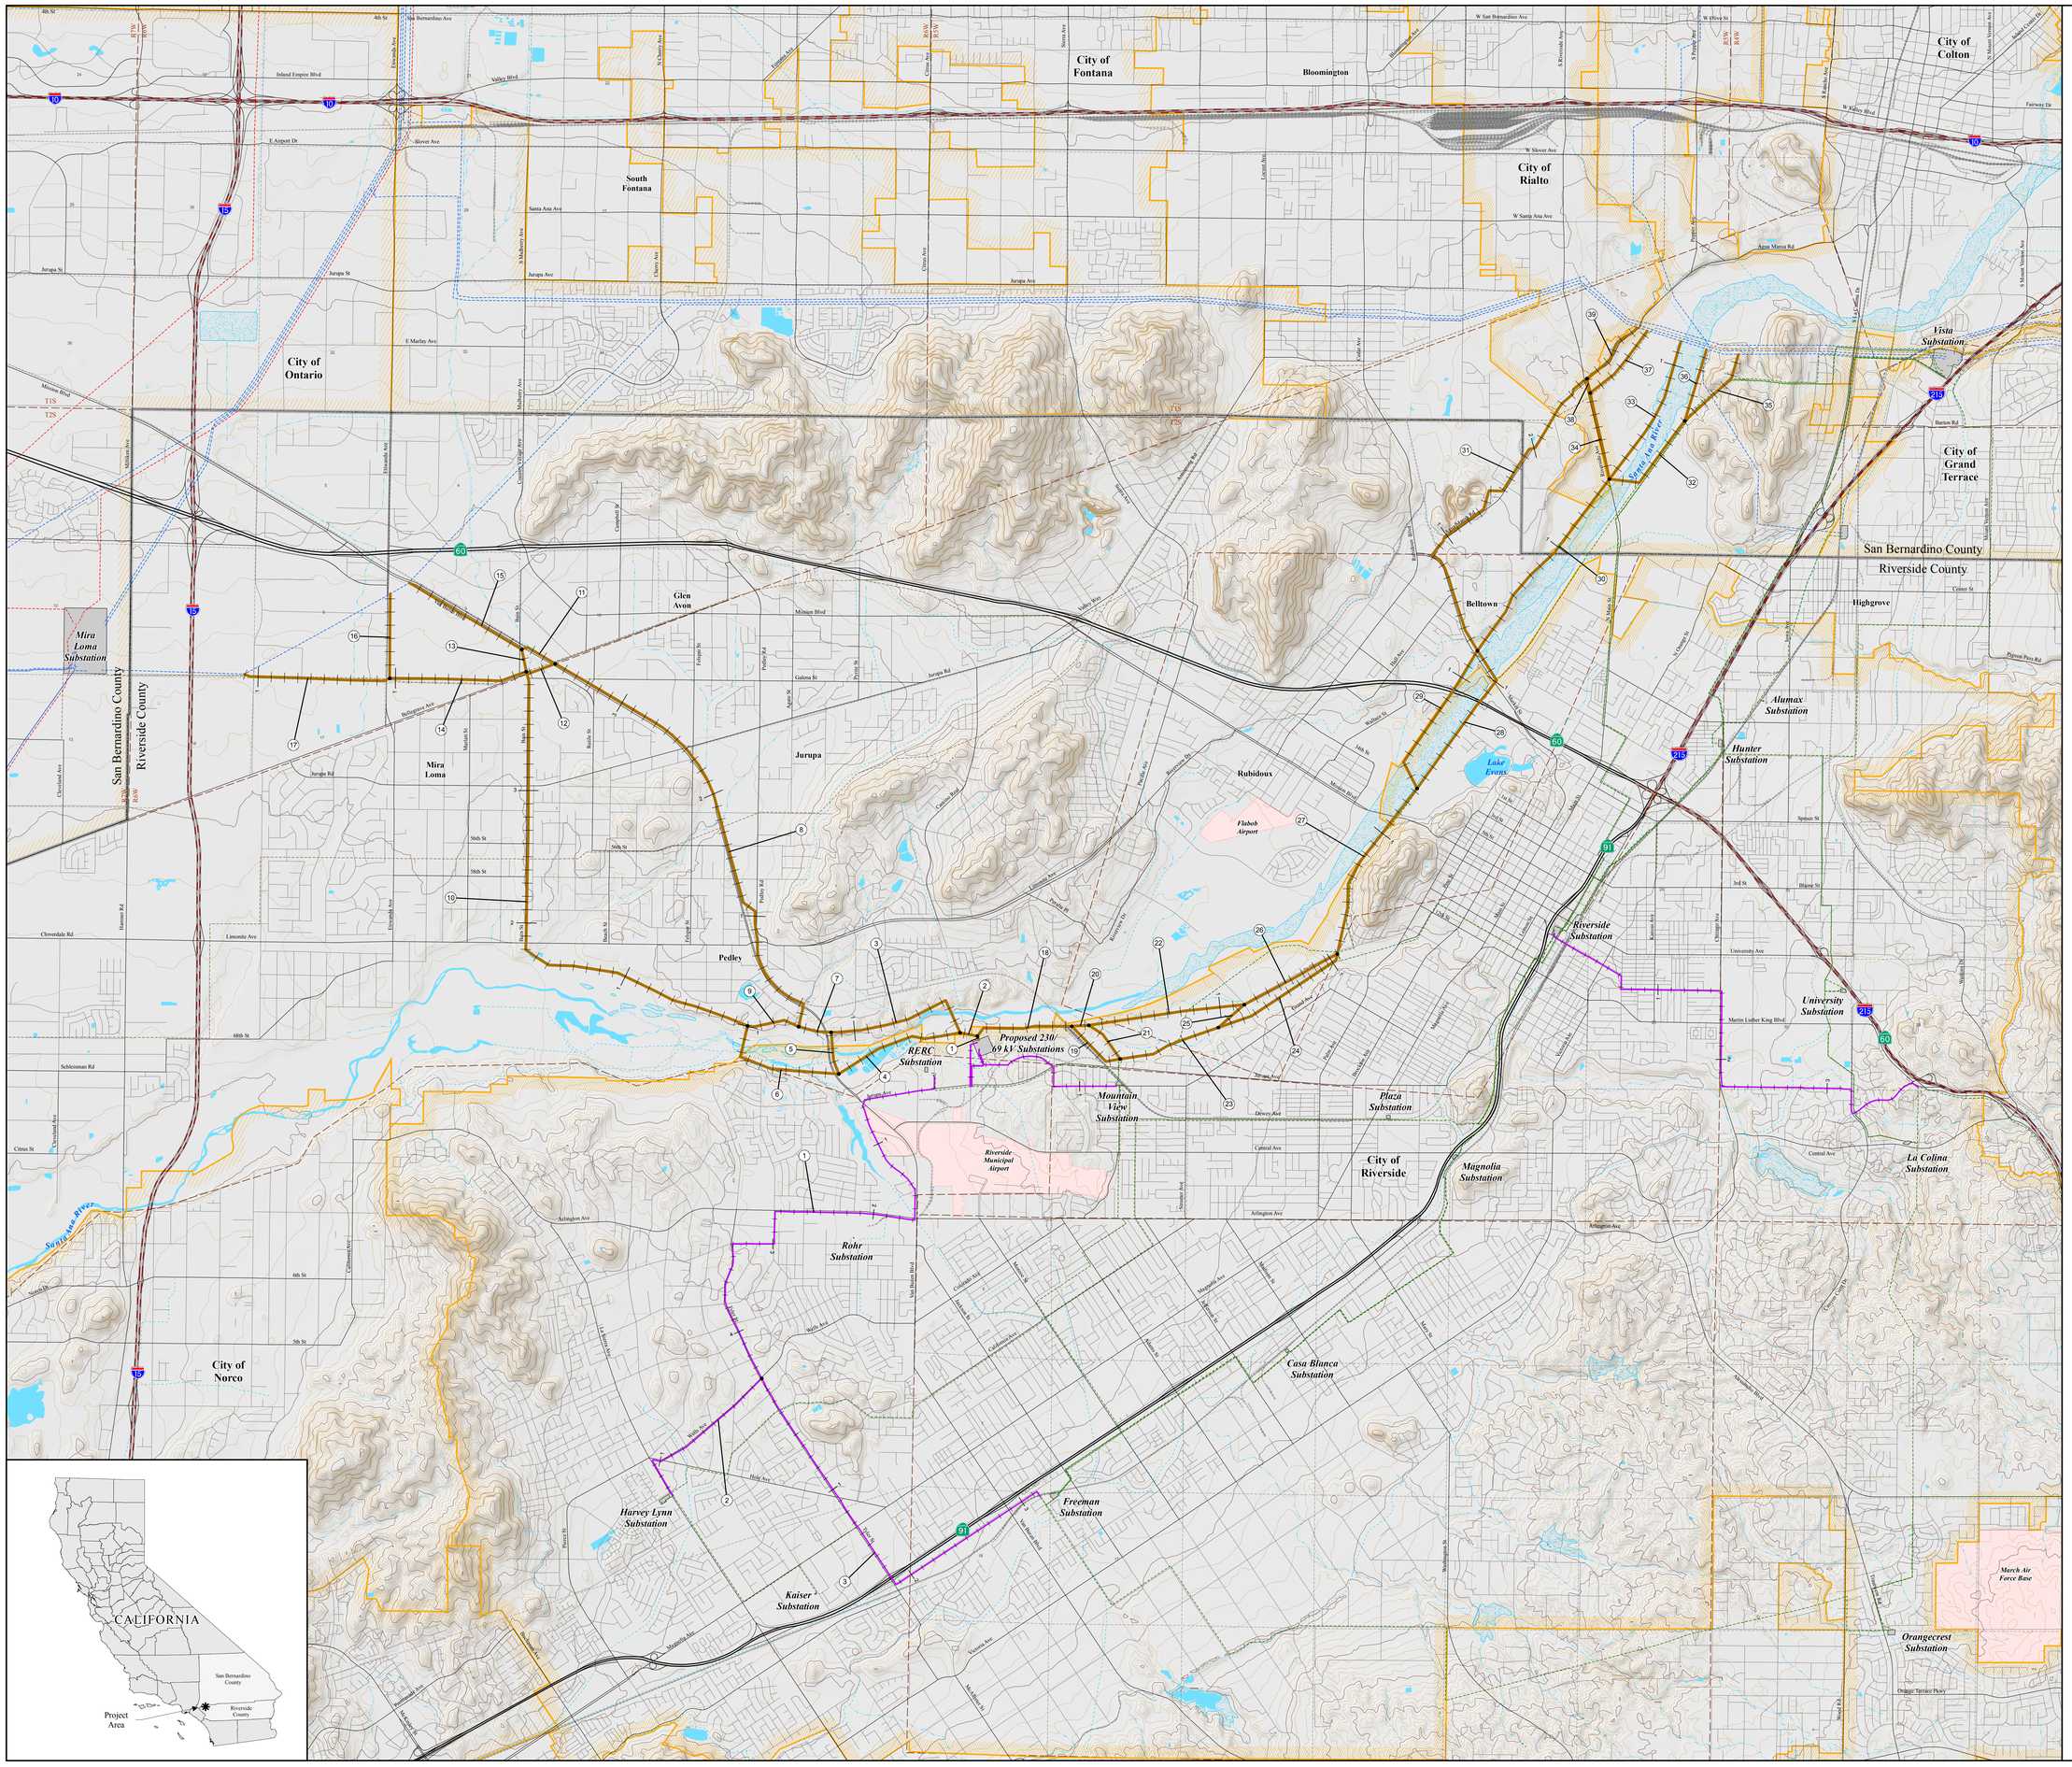
Riverside Transmission Reliability Project

SCE 230 kV Alternative Routes and Proposed RPU 69 kV Routes



Legend

Route Features

- Alternative SCE 230 kV Route
- Tenth Mile Marker
- Mile Marker
- Link Callout
- Link Node
- Proposed RPU 69 kV Route

Utility Features

- SCE 500 kV Transmission Line
- SCE 230 kV Transmission Line
- RPU Lower Voltage Transmission Line
- Other Lower Voltage Transmission Line
- Substation

Transportation Features

- Interstate Highway
- State Highway
- Arterial Road
- Local Road
- Railroad
- Airport

Administrative Boundaries

- County Boundary
- Township Line
- Section Line
- City Boundary

Contour Lines

- Index Contour (100' Interval)
- Contour (20' Interval)

Water Features

- River or Stream
- Intermittent Stream
- Canal or Aqueduct
- Lake / Pond
- Seasonally Flooded
