Do the Right Thing…Reduce Hazardous Waste

Buy Smart
Purchase non-toxic or less hazardous products and only the amount you need. Look for alternative products that don't contain hazardous ingredients.

Store Properly
Toxic products are poisonous. Don't put your family's health and safety at risk! Keep products out of reach of children and pets.

Use It Up
Finish all unused products and recycle the empty containers or share with friends and neighbors.

Protect Our Communities
NEVER throw HHW into your household garbage, toilets or sinks; never dump on the ground or pour down the storm drain. It is illegal and HHW can seep into the groundwater, waterways, lakes, and oceans, causing contamination of our drinking water, beach closures and health hazards to swimmers.

Dispose Properly
Dispose of HHW properly at a FREE Riverside County HHW collection near you!

Drop & Shop

Free Reuse Products

FREE to residents. Partially used household, yard, and vehicle care products in good condition and sometimes even unopened! Availability of free products varies.

Visit us at Lake Elsinore, Agua Mansa and Palm Springs HHW facilities or Lamb Canyon and Badlands ABOPs on Saturdays only during hours of operation.
