
Riverside Transmission Reliability Project

SCE 230 kV Alternative Routes and Proposed RPU 69 kV Routes

Legend

Route Features

- SCE 230 kV Alternative Routes
- RPU Proposed 69 kV Routes
- # Link Callout

Utility Features

- SCE 500 kV Transmission Line
- SCE 230 kV Transmission Line
- RPU Lower Voltage Transmission Line
- Other Lower Voltage Transmission Line
- Substation

Transportation Features

- Interstate Highway
- State Highway
- Arterial Road
- Railroad
- Airport

Administrative Boundaries

- County Boundary
- City Boundary

Water Features

- Lake or Pond
