Everyone can go GREEN this holiday season!

Color this scene...

TOP FIVE WAYS TO GO GREEN FOR THE HOLIDAYS:

1. Buy LED energy saving lights for your holiday decorations and make sure to put them on timers
2. Buy EnergyStar® appliances
3. While shopping for holiday gifts, carry reusable shopping bags
4. Light up someone's holiday by giving a compact fluorescent bulb
5. If you receive new electronics like computer and cell phones this holiday season, make sure to recycle the old ones
