FIRE PROTECTION SERVICE

APPLICABILITY:

Applicable to all private Fire Protection System Services within the service area of the City of Riverside. Services shall be maintained by the City and cost of maintenance, repair and replacement shall be paid by the Customer receiving benefit from fire protection service.

TERRITORY:

City of Riverside and contiguous area.

RATES:

Size of Service	Monthly Charge Inside City	Monthly Charge Outside City
4-inch	$25.54	$38.31
6-inch	38.27	57.41
8-inch	51.06	76.59
10-inch	63.77	95.66
12-inch	76.56	114.84

FIRE HYDRANT AVAILABILITY

APPLICABILITY:

Applicable to all fire hydrants outside the service area of the City of Riverside. Fire hydrants shall be maintained by the City and cost of maintenance repair and replacement of fire hydrants shall be paid by the fire districts providing fire protection service or by the Customer receiving benefit of fire hydrant availability.

TERRITORY:

Contiguous area to City of Riverside.

RATES:

Fire Districts	Monthly Charge
Inside Corona City Limits	$7.25 per fire hydrant
Riverside County Area	0.92 per water service

SPECIAL CONDITIONS

1. Water Conservation and Reclamation Surcharge

   The rates and charges above are subject to a surcharge (Water Conservation and Reclamation Surcharge) as adopted via City Council Resolution No. 20695 on May 25, 2004 and such surcharge as in effect from time to time. The Water Conservation and Reclamation Surcharge will be applied to the Customer's total water usage charge including without limitation the quantity rates, customer and minimum charge for the applicable billing period.
