62. Narrative of Supplemental Report 62a. Audio Recording Available? <u>No</u> On 10/31/17 I was notified of a full METRO callout at Castlevew Elementary school. I arrived at the location at approx. 1600 hours and began assisting with Emergency Negotiations Team duties. Due to the fact that I was one of the last team members to arrive, I roamed around in the front office of the school and assisted team members with anything they needed. After approx. two hours, I retreated to the ENT vehicle, where I remained for the rest of the incident. After the incident concluded, I began to assume primarily Peer Support roles while at the school. The ENT team later debriefed the incident in the ENT vehicle before we were released from the scene.
