62. Narrative of Supplemental Report												Reporting Officer Aaron Brandt																																																														
<p>DETAILS: On 10-31-17, I was on duty and heard traffic on the police radio that a man was assaulting staff at Castle View Elementary and possibly taking staff and students hostage. I drove to the school and equipped myself with my patrol rifle. I met up with Sgt. Lackey at the school and assisted officers in evacuating children from various classrooms on the campus to the public sidewalks where school staff and other officers escorted them to a safe location. I then took up a perimeter position near the library of the school and maintained observation of room A-1 until I was relieved by SWAT personnel. After being relieved, I stayed at the TSU equipment trailer until after SWAT had removed the victim from the location and both the victim and suspect were transported to the hospital. Myself, FBI Special Agent Pat Race, Det. James Dana and Det. Theresa Sivula then cleared rooms A-1 and A-5 for suspicious backpacks since we had received information the suspect possibly had brought backpacks into the classroom before barricading himself inside. Three backpacks were found inside room A-1. These backpacks were cleared of any explosive hazards or other dangerous items. No dangerous items were found at the scene. No additional details at this time.</p>												Reviewed By W. 1337
