On 11/6/17, I was contacted by O/Rivera from Stater Brother's. O/Rivera is the Supervisor of Investigations/Corporate Security for Stater Brother's Stores. O/Aaron notified O/Rivera that S/Kennon was possibly in Stater Brother's store #201 on the morning of 10/31/17 at approximately 0730 hours.

Two employees mentioned to the store manager that the subject they saw pictured on social media, that was associated with the Castlevew Elementary School lockdown, looked like S/Kennon and had been in the store showing aggression to another customer earlier that same morning.

O/Rivera provided a travel drive and a DVD with video surveillance footage of S/Kennon at the store. The DVD and travel drive provided were booked into evidence. The cashiers wrote statements regarding the behavior of S/Kennon that morning. See attached statements. The Stater Brother's employees were Irene O'Keefe, ID# 102853 and Xochilt Lacy ID#124697.

S/Kennon was seen carrying a small female child (*possibly his daughter*) and appeared to be at the store with a woman (*possibly his mother.*) He walked through the line waiting at a cash register to checkout, going the opposite direction of the line, to enter the store. It appeared as if he exchanged words with a customer in that line. (*There is no audio on the video.*) He walked back toward the customer a few times but there was no physical fight between them. While standing in line, the child he carried leaned toward the woman he is with as if she wanted to be held by the woman. S/Kennon leaned and back and turned away. The child remained in his arms. S/Kennon was also seen walking in front of a moving vehicle in the parking lot as he left. S/Kennon made a hand gesture to the driver. The woman with him did not walk to the front of the vehicle.

The statements, DVD and travel drive were booked into evidence at Magnolia Station.

No further information.

Good morning Karla. Bercian told me you were working homicide so I wanted to run something by you. Our Mission Grove store manager passed on some info and I am not sure if it is anything you guys would be interested in, but I have the video if it is needed for any reason.

James from 201 just contacted me and thinks that the suspect from the Halloween school lockdown in Riverside was in our store the day of the incident and was pretty aggressive toward another customer.

He was letting us know just in case we want to provide the video to RPD for any reason.

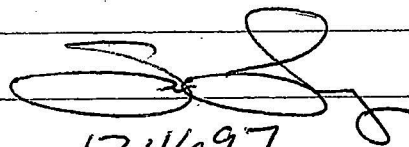

Let me know if you need anything on this.

To whom it may concern.

On the morning of 10-31-17 I susie Lacy was checking on checkstand 5. A Tall black man who was wearing sun glasses, and was carrying a girl. He walked through my line, and he pushed a male customer Shopping basket. It almost hit another customer. The customer got upset about his behavior and started exchanging words. At that very point another checker opened up to help him. I thought they were going to fight. The man walked away and grabbed what he needed. The man walked over to the checkstand opened behind me, he was still talking back and saying rude things to my customer who was pushed by him. After his purchase he walked out of the store.

Between
7-8 am

On the morning of Oct. 31st while I was working on my Daily Assignment schedule, on the check stand behind my co-worker Susie, who was the check out cashier, I overheard a conversation that was taking place during check out between two male customers that was starting to sound confrontational. I immediately offered to ~~help~~ the man who I felt was escalating this incident by bringing his shopping cart over to another register in hopes of resolving the situation. The man I chose to help was a tall, slender black man who was carrying a small female black child in his arms and was also with a adult black female. The whole time my co-worker Susie & I were trying to complete our customers transactions these two men were verbally taunting each other & I kept thinking this is gonna get physical! As I was about to call for our store manager 'James' the black female was attempting to coax the man, who still had this child in his arms, that they were done and to just leave — which he did after a long stare down with the other male customer.
