62. Narrative of Supplemental Report  
On 11/2/2017, at approximately 0730 hours, I received a request from Detective K. Beler to document the autopsy of Suspect/Kennon, Luvelle (DOB: 12/30/1989). At approximately 0858 hours, I arrived at the Riverside Sheriff-Coroner Morgue. I contacted Detective Beler and we identified what evidence needed to be collected. The autopsy began at approximately 0925 hours. The autopsy was attended by Dr. M. Fajardo, Coroner Technician J. Ocampo, Coroner Technician P. Kolski, Detective K. Beler, and Detective K. Corbett. I took (372) digital photographs of the autopsy. I collected Evidence Items #AUT01, AUT02, AUT04 from S/Kennon. I received Items #AUT03, AUT05-AUT12 from attending Coroner personnel. Refer to the Property Report. At approximately 1340 hours, the autopsy concluded. At approximately 1408 hours, I cleared the morgue and transported all evidence items to the Magnolia Station. I secured all evidence in the evidence vault and downloaded the digital photographs to a secure file format.

59. Recovered Auto Value A2 \$
