**Narrative of Supplemental Report:**

On 02/18/12 at approx 1500 hrs, I was contacted by Sgt. Dinco and told to respond to Harold St. north of Gramercy Pl. ref an OIS investigation. Upon my arrival at approx 1546 hrs, I contacted Sgt. Amador and was assigned to assist Det. Medici with the processing of the scene. I took super 8 digital video (ME-27) of the area and began taking digital photographs of the scene (see attached photo logs). I located and collected items ME-01 thru ME-26 and completed a sketch of the scene (see attached diagram). I cleared at approx 2115 hrs, and transported items ME-01 thru ME-27 to the Magnolia St. Station for further processing and placed them in my locked evidence cabinet. I then downloaded the digital photographs at the Magnolia St. Station Forensics Unit Office computer to a secured file format. On 02/21/12 at approx 0726 hrs, I removed item ME-26 (shoes and socks) from my locked evidence cabinet and released it to Senior Forensic Technician S. McKay/Davis (for Pathologist review). On 02/21/12 at approx 1251 hrs, I received item ME-26 back my Senior Forensic Technician S. McKay/Davis and placed it back into my locked evidence cabinet. On 02/21/12 at approx 1430 hrs, I removed item ME-27 (Super 8 digital scene video) from my locked evidence cabinet and made a DVD Copy (item ME-28) of item ME-27. I placed items ME-27 & ME-28 into my locked evidence cabinet. On 02/23/12 at approx 1330 hrs, I removed items ME-01 thru ME-28 from my locked evidence cabinet and placed items ME-1 thru ME-8 & ME-10 thru ME-28 into property via the Magnolia St. Station property lockers. I released items ME-9, ME-9A & ME-9B to Senior Forensics Technician S. Lane (to be processed for latent fingerprints, DNA & to be taken to DOJ).
