File #P13-026517

Narrative:

On 02-25-13, at approximately 2110 hours, Sergeant D. Amador called me at home and asked that I respond to 7911 Arlington Avenue, in the city and county of Riverside, to assist with an Officer Involved Shooting investigation. I arrived at the scene at approximately 2200 hours.

While at the scene, I attended a briefing of the incident provided by Field Operations Sergeant G. Toussaint. Following the briefing, Detective Medici was assigned as the Case Agent and Detective Sanfilippo as the Co-Case Agent. Detective Wheeler was assigned to process the crime scene, while Detectives Cobb, Smith, Simons and I were asked to assist with witness interviews.

While at the Magnolia Station I interviewed Felisha Paschal. The interview was audio-recorded and later downloaded under file# P13-026517. Below is a synopsis of the interview.

Felisha Paschal

02-26-13 / 0035 hours

Felisha was returning home from the grocery store with her sister, Leslie Negron, and her 10 month old daughter. When she arrived at the apartment complex in her blue Chevy Malibu she noticed a couple marked police vehicles stopped on Arlington Avenue, west of the apartment entrance. She pulled into the complex and drove towards the left (west) gate. She saw a red or burgundy SUV ("burban") stopped in the lot behind another car that was parked in a stall, as if it was trying to barricade the other car. There was marked police vehicle parked behind the SUV and another marked police vehicle in the front parking lot near the east gate.

As she drove towards the west gate a uniformed police officer told her to stop and back up. She backed into a handicap space by the office and then pulled forward, to drive to the east gate, when she saw a white or silver vehicle, similar to a Honda or Toyota, come from the direction of the west gate. She heard someone that she thought was the officer that told her to stop and back up, yell "stop". The vehicle was driving in reverse and crashed into the red SUV, pushing the front of it into the car it was blocking and causing the rear end to slide to the side. She was afraid the vehicle was going to make it past the SUV and the police car so she backed back into the handicap space to avoid being hit. At this point, her view was blocked by a car parked next to her but she heard the sound of another collision followed by a male, she believed to be an officer, shout "Get down." She then heard one gunshot, a pause, and then a cluster of shots (4-5 total).

She then saw several police vehicles and emergency medical personnel arrive at the scene.

She did not see the actual shooting and did not see who was driving the vehicle that crashed into the other vehicles.

W/ Paschal drew a sketch of the scene to help me with the description of what occurred.

Refer to recording for additional details.

I booked the sketch into property at the Magnolia Station.
