ORIGIN:

On 02-23-15 at approximately 2146 while assigned as C112, I monitored a radio call of assistance needed at 2865 Prospect Ave in the city and county of Riverside. Officer's requested assistance with shots being fired at the location.

NARRATIVE:

Upon arrival to the aforementioned residence, I met with Officer Weddle who advised that he and Partner Officer Macias were involved in a shooting with an unknown male suspect who fled from the residence. Officer Weddle advised that the suspect fled through the backyard of the residence and was armed with a shotgun. Sgt. Wilson arrived with members of the PACT team and a perimeter was set.

Once the location was determined to be safe, we checked the backyard and located numerous shell casings and other evidence possibly related to the incident. We placed markers on all of the evidence located. The residence was cleared and the occupants were asked to come outside. A crime scene was set and secured.

While completing this initial assessment, W/1 and W/2 arrived to the front on foot and were secured in an attempt to ensure a statement could be taken from both. Both witnesses were cooperative and were placed in my police vehicle for their safety as the scene was not fully secure.

I later spoke to both witnesses and took the following statements. W/1 stated that he lived at [REDACTED] with his brother (W/2) and other family members. He stated that he was parking his vehicle in his driveway when some family members came out of his residence and began to tell him that "Steven" had just shot himself in his father's bedroom. W/1 stated that his brother (W/2) came running out of the residence and told him the same information. W/1 stated he did not go into the residence and never actually saw "Steven". W/1 and W/2 decided to run to "Steven's" residence at 2865 Prospect Ave. to tell Steven's wife. W/1 stated that he knew "Steven" and his family since childhood and thought they should tell his wife what happened. They ran to the residence where they saw police officer's and thought something more must have happened. W/1 stayed to offer his statement. W/1 stated he had no information as to why this happened. W/1 could not or would not provide any information regarding the incident as he stated he was not home when it occurred.

I then spoke to W/2 who stated the following. W/2 stated that he was inside his listed residence on the above date and time and was sleeping. W/2 was woken up by a family member. W/2 told me he really did not know what happened and did not hear any gunshots. W/2 was told that "Steven" just killed himself in W/2's father's bedroom. W/2 told me that he was scared and ran out of the house where he met with his brother (W/1) who was just pulling into the residence. W/2 told me that he never saw "Steven" on this night but knew him. W/1 and W/2 decided to go to "Steven's" residence and tell his wife. W/2 told me that he had no idea what was going on. W/2 could not or would not provide any further information.
