**Narrative:**

On 02-23-15 at about 2156 hours, I was responded to the area of Park/Prospect to assist with an Officer Involved Shooting Investigation that just occurred. I arrived and assisted with canvassing the area for evidence. Just south of Pleasant St there is a dirt alley that runs east and west between Park and Grove. I walked down the alley and noticed multiple shotgun shell casings, a black bandana, and some drops of blood. I placed a folded up card near the evidence then exited the alley. I sealed the area of with crime scene tape and passed the information along to supervisors.

I later took a perimeter position at Grove/Prospect to ensure evidence was preserved. I remained there until the scene was processed and I was relieved. NFI
