Riverside Police Department
Continuation Sheet

File # P13169168

11/25/13

664-187 / OIS

Det. R. Wheeler #303

1 **Assisting Personnel:**

2 Sgt. Russell – Unit Supervisor
3 Sgt. Daily – Scene Supervisor
4 Det. Medici – Scene Processing
5 Det. Brandt – Scene Processing
6 ID Tech McKay-Davis – Scene Processing
7 ID Tech Velin – Scene Processing
8

9 **Evidence:**

10 Various items of evidence were collected from the scene to include a handgun (revolver), three
11 cell phones, blood samples, a cigarette, a hat and bullet fragments. See ID Tech McKay-Davis'
12 supplemental report for details.
13

14 **Assignment:**

15 On Saturday, November 23, 2013 at 0030 hrs, I was contacted at home by Sgt. Russell and
16 asked to respond to 3020 E. La Cadena Dr, in the city and county of Riverside, reference an
17 officer involved shooting investigation. I agreed to respond and arrived at the scene at around
18 0115 hrs. I remained at the scene until it was cleared at around 1000 hrs. Upon arriving at the
19 scene, I took part in a briefing of the incident provided by Sgt. Cash. Once the briefing was
20 finished, I was assigned to oversee the processing of the crime scene with Det. Medici and ID
1 Tech McKay-Davis.
22

23 **Scene Description:**

24 This area is part residential neighborhood and part business district. There are mostly homes
25 located along the west side of the street while on the east side there is a commercial vehicle
26 gas station with a large parking lot. There are two video cameras located at this business, one
27 on the building in the northern portion of the lot (this camera was pointed in a southeastern
28 direction) and the second was mounted on top of a sign over two gas pumps (this camera was
29 pointed northeast). The area where the shooting occurred was south of the two primary gas
30 pumps in an open pavement lot. The weather this early morning was cold with little wind. The
31 lighting in the area was fairly good in some places. There were light poles with working lights at
32 the following locations; at the bend of the street (south of the scene), in the area of the nearby
33 gas pumps north of the scene, on the east side of the street across from 3055 E. La Cadena
34 and on the southwest corner of the building at 3020 E. La Cadena.
35

36 **Scene Processing:**

37 We began by doing a walk-thru of the scene and identifying any obvious evidence items. ID
38 Tech McKay-Davis then did a videotaped walk-thru of the scene before she took overall photos
39 of the scene. Once that was completed, we identified and marked various pieces of evidence
40 and they were photographed. All of the items were collected once they were measured.
41

42 While ID Tech McKay-Davis photographed the evidence items, Det. Medici, ID Tech Velin and I
43 began taking measurements of the scene and various items within it so a sketch of the scene
44 could be created at a later date. Det. Medici and I also reviewed the exterior video camera
45 footage from a business located just north of the scene at 3011 E. La Cadena Dr.

Riverside Police Department
Continuation Sheet

File # P13169168

11/25/13

664-187 / OIS

Det. R. Wheeler #303

1 The business, Eagle Road Service & Tire, has two exterior cameras that face southeast and
2 both cameras were functional and recording at the time of this OIS. I was able to copy the video
3 onto a thumb drive at the business and transfer it to a DVD for booking into evidence.

4
5 In this area of the shooting was the suspect vehicle (a tan, four door, 1997 Nissan Altima CA#
6 7CHH175) and Ofc. Hunt's marked RPD unit (#3934/CA#1333762). The Altima was parked
7 facing north with the driver door, front passenger door, rear driver side passenger and trunk all
8 open. No headlights or other exterior light were on at the time. The driver door window was not
9 visible. The windows in the other three doors were up and appeared to have tinting on them.
10 There was a single gunshot hole in each of these windows and no other holes vehicle body or
11 interior.

12
13 Outside of the vehicle we located the following: a cell phone (iPhone) lying on the ground but
14 connected to a cord inside the car on the driver side, a black baseball hat with "TC" on the front
15 lying on the ground near the trunk, a Smith & Wesson .38 revolver (Serial #K852842) with blood
16 on it on the ground on the passenger side, blood on the ground on the passenger side and the
17 body of a Hispanic male lying face down with handcuffs on, several feet to the east of the open
18 passenger side door. Blood was located on the outside of the front passenger door and the
19 interior door frame.

20
21 The Hispanic male was dressed in a black leather type jacket, dark striped shirt, black jeans
22 and blue Vans shoes. The male had several partially visible tattoos on his head under his hair.
23 One of the tattoos was of a Riverside rain cross bell and it was on the left side of his head.

24
25 Inside the vehicle we located two additional cell phones. One was on the driver seat and the
26 other was on the floor board of the front passenger compartment. All three cell phones were
27 taken at the scene. We also located a partially smoked cigarette on the ground under the
28 passenger rear door. It appeared to have blood on it. The hat, gun, the cigarette and a sample
29 of the blood were also taken for evidence. See Det. Brandt's supplemental report for details on
30 the Coroner's findings regarding the body.

31
32 RPD Unit #3934 was located several feet to the west of the Nissan Altima and was facing
33 southeast. All the doors on the unit were closed, the engine was running and the parking lights
34 of the unit were the only exterior lights on at the time. The driver's door exterior showed signs
35 of two bullet strikes. Both of the strikes were toward the hinged portion of the door with one of
36 the strikes hitting the bottom of the rear view mirror before hitting the door below the window.
37 Neither bullet penetrated through the exterior of the door. There was no other visible damage to
38 the unit. To the southeast of this unit and behind marked RPD Unit #3931, we located a single
39 expended .40 caliber casing.

40
41 Southwest of RPD Unit #3934 was a green Toyota T100 extra-cab truck (CA #6E19825). The
42 truck was parked along the east curb, off of the street, to the front of 3091 E. La Cadena. The
43 truck was facing south. On the driver's side of the truck, we located a bullet strike. It was in the
44 extra-cab part of the truck.

Riverside Police Department

File # P13169168

11/25/13

664-187 / OIS

Det. R. Wheeler #303

1 This bullet hole went through the exterior wall, through the frame and interior plastic molding
2 where it fragmented into several small pieces. Some of these pieces were found on the floor
3 board area in the rear passenger compartment of the truck. There was no other visible damage
4 on the truck.

5
6 East of the Altima we located two additional vehicles, a purple Pontiac Firebird (CA# 3UJJ253)
7 and a white Chrysler Town & Country Van (CA# DPG8541). Both of these vehicles were
8 parked facing north and were several east of the body. Neither of the vehicles was struck by
9 gunfire. Northeast of the Altima was a blue Honda Civic (CA# 6XJH772). This also was not
10 struck by gunfire.

11
12 Further south of the Altima, we located two marked RPD Units. Units #3154 and #3147 were
13 parked facing north several feet behind the Altima. These units had been used to conduct a
14 felony traffic stop and detention of the two occupants who had been inside the Altima at the time
15 of the shooting. They were still inside the vehicle when back up officers arrived to help Ofc.
16 Hunt. Neither of the units nor the officers driving them had been present for the shooting.

17
18 Just west of marked RPD Unit #3934 (Ofc. Hunt's unit), we located marked RPD Unit #3931.
19 This unit was parked facing north and was just a few feet west of #3934. This unit and the
20 officer driving it were not present at the time of the shooting. We located an expended .40
1 caliber casing under this unit.

22
23 During the search of the scene and the area surrounding it, no additional bullet strikes were
24 located. While still at the scene, Jonathan David (RPD IT Unit) responded to the scene to
25 secure the buffered Coban video from Unit #3934. I observed the process making sure no
26 evidence was compromised during the recovery. Jonathan was able to download the video to
27 the unit's hard drive and took it to CIB where he uploaded it to the RPD video server. It was
28 made available to Det. Smith for his investigation.

29
30 Once all of the evidence items were marked, photographed, measured and collected the Altima
31 was towed from the scene. When it was moved, we located the plastic backing from a cell
32 phone on the ground under the passenger side of the vehicle. This item were also marked and
33 collected as evidence.

34
35 When the scene was fully processed, detectives from TSU responded to the scene to clean the
36 blood left behind. When this was completed, all RPD officers cleared the scene and E. La
37 Cadena was opened again for regular traffic.

38
39 **Disposition:**

40 This report will be given to Det. Smith for his casebook
