62. Narrative of Supplemental Report  
On Wednesday, 11-16-11, at approximately 0737 hours, the call of 11-99, shots fired, went out over radio traffic. I responded to the location of 10406 Indiana Av and took a position near the initial contact scene, along with several other Riverside Police officers. As officers were getting set up into places of advantage, I took a position in order to keep residents from exiting their apartments near the scene. As more officers arrived and the scene was contained, I spoke to Sgt. B. Dodson and he said I was free to clear the scene. I left the location at approximately 0830 hours.
