

WHY SHOULD I ADOPT A PARK?

- Help keep our parks safe and beautiful.
- Give our children a safe place to play.
- Show your "Riverside Pride."
- Make a meaningful, long-lasting contribution to Riverside.

You can make a difference!

What is the Adopt-A-Park program?

Adopt-A-Park is a program sponsored by the City of Riverside's Parks, Recreation and Community Services Department to enhance the condition and quality of our parks through sponsorships and volunteer service.

Adopt-A-Park offers individuals, groups, organizations and businesses the opportunity to take an active role in the beautification of our community and help support the City's park system. The investment you make in your neighborhood is truly an investment in your own property.

The Adopt-A-Park agreement is for one year and is renewable at the end of the sponsorship period. You may participate with an organization to clean and beautify your adopted area, donate amenities or sponsor major projects.

Three easy steps to Adopt-A-Park

1. Choose a park to adopt.
2. Select the type of adoption from the following:
 - Improvements Sponsorship
 - Donations Sponsorship
 - Major Projects Sponsorship
3. Submit an application to the Parks, Recreation and Community Services Department. Applications are available in the Adopt-A-Park handbook, at your local community center or on-line at www.riversideca.gov/park_rec.

What can I do for my "adopted park?"

If your organization is involved in an Improvements Sponsorship, you may:

1. Pick up litter and debris.
2. Clean and paint buildings or other designated structures or equipment.
3. Remove graffiti.
4. Plant trees or shrubs and/or maintain the adopted area with assistance from the Parks, Recreation and Community Services Department.

If you are involved in donations or major projects sponsorships, you may:

1. Purchase or install park amenities (park benches, BBQs, picnic tables).
2. Sponsor the cost of maintenance for your adopted park.
3. Cover the cost of a large-scale project (athletic field lighting, playground equipment).
