

POWER OUTAGE NOTICE

Riverside Public Utilities will be performing routine or required servicing of the City's electrical system on **6/18/08** - Wednesday, June 18, 2008.

In order to safely perform this service, power will be turned off for approximately **4 hours** during the morning starting approximately at **9:00am**.

In the event of adverse weather, the outage will be rescheduled for 6/19/08 during the same time period.

The Public Utilities Department will try to minimize any inconvenience related to this project. Your understanding and cooperation is appreciated. To discuss further details of this power outage, please call 951-351-6351 between 8:00am-3:30pm, Monday through Friday.
