MISSION STATEMENT

“The mission of the Commission on Disabilities is to promote greater awareness of, respect for, and the total participation of individuals with disabilities into all aspects of life.”

State law restricts the Commission on Disabilities from taking action on an item unless it has been included on an agenda and posted at least 72 hours in advance of a meeting or unless the matter falls within one of the narrow exceptions. Consequently, any item not listed on this agenda will normally have to be delayed until the item can be made part of a posted agenda.
