62. Narrative of Supplemental Report

On 09/01/08 I responded to the Magnolia Station regarding an officer involved shooting investigation. At approximately 0130 hrs, I interviewed W/Manier in the GIB conference room The interview was audio recorded.

W/Manier stated that at about 1500 hrs, she arrived with her boyfriend to his family's Labor day barbecue at 5807 Yarborough. She stated she sat in the backyard with her boyfriend Carlos Quinonez Jr. and drank wine and "Tequila". She could not recall too much of what happened due to the amount of wine she had consumed. She stated she did not see S1 drinking any alcoholic beverage and did not notice any type of family disturbance inside or outside the house. She decided after a couple of hours, to leave the party with her boyfriend. They walked outside toward her car, when her boyfriend decided to go back to the house due to some disturbance inside the house. She followed him back into the house and walked into the [illegible]hen, where she noticed "Carlene", her boyfriend's sister, sitting on the kitchen floor, crying hysterical. W/Manier called 911 and then handed the phone to "Carlene's" mother. "Carlene's" mother gave the 911 dispatcher the address to the house.

W/Manier then escorted "Carlene" and her mother to "Carlene's" car. According to W/Manier, "Carlene" was going to be driven to the hospital by her mother.

W/Manier said she began to walk back to the house from the driveway, when the "police showed up." W/Manier said the officers flashed their flashlights at her which obstructed her vision. She then heard shots being fired; she dropped to the ground and did not move. She claims she did not see anything else.

W/Manier did not appear to be honest and kept insisted that she had drank "a lot of wine and "Tequila"

I asked her, while she was in the kitchen if there was anyone arguing in the house. She said she heard some people yelling, but could not identify who was yelling or arguing.

W/Manier insisted she did not see anything and that she did not witness any type of family altercation or disturbance. She again insisted she had been drinking a great deal of alcohol and was intoxicated.

She stated she was sober at the time of the interview. She did not appear to be intoxicated.

Additional Information:

W/Manier's vehicle was parked in front of the subject house, a light blue 4 door, Hyundai Accent 04 (unk plate).

A: In the kitchen.

Q: In the kitchen, you sat down in the kitchen on the floor?

A: Yeah, and his mom...

Q: And she was hyperventilating.

A: Yeah, so I was right there trying to calm her down. At that same time, I had the baby on my hip, trying to grab a phone and call for an ambulance for her.

Q: How old is (Carlene)?

A: I don't know. I'm - I really don't know how old she is.

Q: And (Carlene) is (David)'s sister?

A: Mm-hm.

Q: Younger or older?

A: I have no idea.

Q: Okay, and she didn't tell you why she was hyperventilating or anything like that?

A: She just said her stomach hurt, and so...
