Castro, Christopher Joe DOB [redacted] M / H

Interview

Christopher Castro was interviewed at the Magnolia Station on 09-01-08, minutes before midnight. The interview was digitally recorded and later downloaded to the department server.

Castro said that he was inside his house watching TV. He said he lives across the street from the Quinones family.

Castro said that while he was watching TV, he heard an argument coming from across the street. He looked out his front window and saw and heard S-Carlos yelling. He said his mom and brothers went outside and walked across the street to see what was going on.

Castro said he followed his family across the street. He said Carlos was in the garage and was very upset. He said Carlos was arguing with an unknown member of his family who was inside the house. He said that Carlos' mother had to hold him back from going inside the house, because Carlos was so angry. He said Carlos wanted to fight someone.

Castro said he was still in the garage, when Carlos began looking for something in the garage. He said Carlos then grabbed what appeared to be an umbrella sleeve. He said Carlos then started walking out of the garage, down the driveway towards the street.

Castro said that he was watching Carlos walk down the driveway, from the entrance to the garage. He said that when Carlos got to the end of the driveway, he saw two police officers walking towards Carlos from his left. He said the officers were in full uniform and were easily identifiable as police.

Castro said he heard one of the police officers yell, "Stop right there". He then saw Carlos pull a shotgun from the umbrella sleeve and point it at the two officers. He said Carlos immediately "racked" the shotgun and fired a round at the officers. He said Carlos was trying to shoot the officers. He said he saw the muzzle flash from the shotgun.

Castro said that when Carlos fired at the officers, he was 1 ½ to 2 car lengths from the officers.

Castro said that immediately after Carlos fired at the officers, he turned to run into the house. He then heard two more gunshots coming from the end of the driveway. He said he did not see who fired the two shots. He said he stayed inside the house until officers ordered him out of the house.

Castro said that the light in the garage was on, which illuminated the driveway.

Castro had no further information.

Q=Det. Rick Cobb
A=Christopher Castro

Q: How are you doing man?

A: (Unintelligible).

Q: You ah, Christopher? Is that you?

A: Yeah.

Q: Okay. I'm Detective Cobb. Ah, we've got a lot of stuff going on tonight, so I'm going to talk to you. We'll get the - come on up here and just kick back here. We'll talk to you. We'll get you out of here as fast as we can, all right?

A: Okay.

Q: Okay. Okay, let me get your - it's Christopher Castro, is that right?

A: Mm-hm.

Q: C-H-R, Christopher?

A: Yeah.

Q: Do you have a middle name Christopher?

A: Joe.

Q: Joe? Just Joe, not (Joseph) or anything?

A: No, it's J-O-E.

Q: Okay. Turn my phone off here. What's your birth date?

A: [redacted].

Q: And your address?

A: 5808 Yarborough Drive.

Q: And how about a phone number I can reach you at?

A: [redacted]

Q: Is that a home or a cell phone?

A: That's a cell.

Q: Is that the best one to reach you at?

A: Yeah.

Q: What's your home one?

A: Um, [redacted]

Q: Okay. Okay, ah, I know I came in kind of late to this. I know there was a lot of stuff going on. Um, I want to make sure that you're clear that you are not under arrest. You are not being detained. Okay? I know the circumstances you were brought down here.

A: Yeah.

Q: But I want you to know off hand, you don't have to talk to me if you don't want to. If you're going to - if you want to say I want to walk out of here, you can walk out of here, all right? The door is just shut for our privacy, okay? Is that cool?

A: All right. Yeah.

Q: All right. Basically take me from kind of the beginning tonight. What were you doing when - basically when everything got started tonight, how did everything got started, where you ended up, and just kind of go over it briefly from the beginning for me.

A: Um, just watching TV with my dad and my mom and my brothers said like I guess the neighbors are arguing, having a big fight. So we look out the window and then like before you know it my mom starts walking out there because she's like really close. So she walks over there and then my brothers follow and then my dad follows as well, so I'm like, oh wow. I just walked over there to see what was happening. And I guess he was - he was um,

(Carlos) I guess his son was having - he was having a dispute. But I guess we were in the garage right there, the little area. And then just started ah, like yelling at someone inside. And then we were all just kind of holding him back. And then ah, he finds, he starts I guess, ah, the officers get there. But he didn't see them at first but he gets like an umbrella - like an umbrella. It looked like an umbrella at first. But it was like a sleeve for an umbrella. And he starts walking out and then the officers like start approaching him, hey, stop right there. And then before you know it he pulls off the sleeve and he has a - I guess a shotgun. And he goes and he cocks it and he shoots at them in the middle of the street.

Q: Okay.

A: So I - from there like I saw the first shot and then I started to run into the house.

Q: Okay. How are you kind of related to everybody?

A: Ah, just...

Q: Friends, neighbors, families?

A: Neighbors for 20 years.

Q: Your neighbors, so you know everybody? You were in your house?

A: No, I was in their house.

Q: You were at their house. You were having - what were you there for?

A: They were across the street. Just - just because my family was there.

Q: Was there an event going on or something?

A: I guess.

Q: Family gathering, barbecue?

A: They were having a barbecue I guess, and then there was a big dispute over there.

Q: So you were at their house.

A: Yeah.

Q: Okay, but you started off at your house when you were watching TV?

A: Yeah.

Q: Watching TV at your house? That's what I wanted to make sure of.

A: Yeah.

Q: So you heard a dispute. Um, what kind of - I mean what do you mean by - just loud yelling or did you hear anything specifically?

A: No, there was like a lot of yelling and stuff, so.

Q: Could you tell who was doing the yelling?

A: Um, I think it was (Carlos).

Q: It would be - okay. So (Carlos) was yelling?

A: Yeah.

Q: Okay. Did you actually see him yelling when you finally looked out the window or did you just hear him yelling.

A: No when I - when we walked across the street he was the one doing most of the yelling.

Q: Okay. So immediately once you kind of heard the dispute or the argument, is that when your whole family went outside?

A: Yeah.

Q: And it was - who - you said it was your mom?

A: Yeah.

Q: Who else?

A: Pretty much my mom and my brother followed her.

Q: Who is your brother?
