Narrative of Supplemental Report:

On 05/12/11 at approx 1350 hrs, I was contacted by Supervisor Fuller and told to respond to 11524 Trailway Dr. ref taking photographs of a possible bullet strike to the wood fence located on the west side of the residence. Upon my arrival at approx. 1403 hrs, I located a possible bullet strike (a hole, that was identified the night of the incident as item K on the east wood fence of 11532 Trailway Dr.) to the west wood fence (item K-1) that passed through the fence and stuck the west exterior stucco wall (item K-2) of 11524 Trailway Dr. I took digital photographs of the strike marks and did a photo log (see attached photo log). I cleared at approx. 1438 hrs, and downloaded the digital photographs at the Magnolia St. Station Forensics Unit Office computer to a secured file format.
