Forensic Tech. S. Lane #1580

On 03/01/12 at approximately 0640 hours, I was requested by Senior Forensic Technician S. McKay-Davis to respond to the Magnolia Station Forensic Lab to photograph and chart the weapons of Officers involved in an Officer involved shooting investigation. I arrived at the location at approximately 0700 hours and met with Detective D. Smith for briefing.

Detective Smith requested that I take photographs of Riverside Police Officer Sancho Lopez #1011 and chart his weapon. I began taking my photographs at approximately 0718 hours. I then charted and collected his department issued duty weapon and ammunition and labeled them evidence items SL01, SL01A and SL01B (see attached Weapon's Charting Form, Evidence Log and/ or Property Report for full item descriptions).

Detective Smith then requested that I take photographs of Riverside Police Officer Brett Porter #1709 and chart his weapon. I began taking my photographs at approximately 0740 hours. I then charted his department issued duty weapon and ammunition (see attached Weapon's Charting Form). Officer B. Porter retained his weapon and ammunition. I finished my assignment and placed evidence items SL01, SL01A and SL01B into my secured evidence locker at approximately 0755 hours.

At approximately 0805 hours, Det. J. Brandt requested that aerial photographs be taken of the crime scene. At approximately 0835 hours, I arrived at the RPD Aviation Hanger and met with Pilots Z. Watson and J. Ratkovich. I finished my assignment and left the location at approximately 0955 hours. I returned to the Magnolia Station and downloaded (74) digital photographs into a secure file format (see attached Photo Log).

At approximately 1313 hours, I retrieved evidence items SL01, SL01A and SL01B from my secured evidence locker and released them to Police Property Specialist N. Jaggar.

No further action was taken.
