### **MISSION STATEMENT**

The mission of the General Services Department is to provide timely, quality, and efficient services to all City departments in support of their departmental outcomes through Administration, Property Management, Fleet Management, Publishing, Building Maintenance, and Project Management Services.

#### SERVICES PROVIDED BY DEPARTMENT

The General Services Department is responsible for providing support services to all City departments and includes the functions of Property Management, Building Services, Publishing, and Fleet Management. The cost of these services is allocated to user departments through the charges to/from or the Central Garage fund.

The Administration Division is responsible for providing leadership, administrative support, and fiscal management to enable the Divisions of the Department to achieve their goals.

The Building Services Division supports over 133 buildings and facilities located throughout the City through corrective and preventative maintenance programs as well as providing new facility design, construction specifications, and project management services for both new construction and existing building improvements.

The Fleet Management Division provides maintenance and repair services for the City's fleet of vehicles and equipment, writes specifications, and acquires new and replacement vehicles and equipment.

Other Divisions include the Property Management Division, which represents the City in the negotiation of leases and property management services, and the Publishing Services Division, which provides printing services to users throughout the City.
