KELLY'S TEA SELECTION

* caffeinated ** caffeine free

*Lemon Soufflé - Fine White Tea**

White tea leaves with tart juicy lemons and just the right amount of vanilla and caramel essence.

*Organic Jasmine - Fine Green Tea**

Delicate Green Tea buds, pleasantly mingled with Jasmine blossoms, hand picked under the light of the moon.

*Organic Green Passion - Fine Green Tea**

Pure Japanese Sencha with a touch of the tropics. Exotic passion fruit essence and natural ginseng root yields an energizing cup with crisp, clean flavors and a wonderfully aromatic scent.

*Tuscan Garden - Fine Herbal Tea***

A beautiful tea that sparkles in the cup. From the gardens of wine country, this tea mingles grapes and black currants with apple, orange and lemon bits, lavender flowers, sunflowers and rose petals.

*Ginger Peach - Fine Black Tea**

Sweet southern peaches and a hint of ginger make this tea an all American favorite. Wonderful to sip while relaxing on a front porch swing.

Earl Grey with Lavender

Classic blend of fine black teas, gains complexity and character from the clean, lightly floral flavor of lavender and scented with citrusy natural Italian oil of bergamont.

(available caffeinated or caffeine free)
