SECTION V – TO BE COMPLETED FOR ALL PROPERTIES

I have reviewed the Historic Preservation Fund Grant General Provisions and do hereby agree to comply with them to be eligible for program participation. All information provided herein is correct and complete to the best of my knowledge.

I understand that a grant proposal application or grant award does not constitute approval of the proposed project. A Certificate of Appropriateness, a Building Permit, and other entitlements may be required prior to commencement of work.

If a grant is awarded, execution of a separate performance covenant and agreement must be executed and recorded prior to commencement of work. A sample document, which will be tailored to fit the individual project, is available for review at this time. The property owner is encouraged to consult with their attorney prior to execution of the document. Failure to complete the entire project according to executed performance covenant and agreement requirements, including but not limited to industry standards for procedures, materials and workmanship, or failure to secure entitlements, or to comply with all approved plans, scopes of work, permits, and conditions of approval may result in enforcement of the covenant and agreement provisions, at the discretion of the City.
