Under New Management and Ownership

Riverside City Gym is proud to extend to City of Riverside Employees and their families, a membership program with no initiation fees, no activation fees – no additional fees at all!

City of Riverside Employees can now join City Gym for only \$20.00 per month!

And as an exclusive end-of-the-year Winter Special, we are extending this offer: Between November 1 and December 31, 2011, when you buy a three-month membership for a \$60.00 one-time payment, you will receive a fourth month for free!

City Gym can help you fight the holiday pounds – start now by taking advantage of our Winter Special!

Walk over to 3485 University Avenue and we'd be happy to show you around and extend a three-day membership so that you can try us out!
