Kaiser Permanente Senior Advantage

Senior Advantage provides all of the benefits covered by Medicare, except for hospice care for Members with Medicare Part A and qualifying clinical trials, which are covered under Original Medicare. As a Senior Advantage Member, you are selecting our medical care program to provide your health care. Senior Advantage is for Members entitled to Medicare, providing the advantages of combined Medicare and Health Plan benefits. Enrollment in Senior Advantage with Part D means that you are automatically enrolled in Medicare Part D.

About this booklet

This *Disclosure Form (DF) Part Two* summarizes some of the important features of your Kaiser Permanente Senior Advantage membership, as well as general exclusions and limitations of your coverage. ***Please read the following information so that you will know from whom or what group of providers you may obtain health care. Also, you should read this Disclosure Form and the Evidence of Coverage carefully if you have special health care needs.***

Disclosure Form Part One: For a summary of benefits, Copayments, and Coinsurance, see *Your Benefits (Disclosure Form Part One)*. If you have questions about benefits, please refer to your *Evidence of Coverage* or call our Member Service Call Center toll free at **1-800-443-0815** (TTY users call **1-800-777-1370**). Representatives are available seven days a week from 8 a.m. to 8 p.m.

Defined terms: Some capitalized terms have special meaning in this *Disclosure Form*, as described in the "Definitions" section at the end of this booklet.

Your Home Region: When you join Kaiser Permanente, you are enrolling in one of two Health Plan Regions in California (either our Northern California Region or Southern California Region), which we call your "Home Region." The Service Area of each Region is described in the "Definitions" section. The coverage information in this *DF* applies when you obtain care in your Home Region. Please refer to *Your Benefits (Disclosure Form Part One)* to learn which California Region is your Home Region. Also, this *DF* describes two Senior Advantage plans, which are Senior Advantage and Senior Advantage with Part D. Everything in this section of the *DF* applies to both Senior Advantage plans, except as otherwise indicated.

Medicare Part D: This Senior Advantage plan offered by your group may include Medicare Part D prescription drug coverage. To find out if this Senior Advantage plan includes Medicare Part D prescription drug coverage, please refer to *Your Benefits (Disclosure Form Part One)*. Specifically, *Your Benefits* will state "Senior Advantage with Part D" immediately before the benefit chart if Medicare Part D coverage is included. Everything in this *DF Part Two* applies to both types of Senior Advantage plans (with and without Medicare Part D), except as otherwise indicated.

Evidence of Coverage: This *Disclosure Form* is only a summary. Your *Evidence of Coverage* provides details about the terms and conditions of your coverage, including exclusions and limitations. Also, you have the right to review one before enrolling. To obtain an *Evidence of Coverage*, please contact your group.

How to obtain care

As a Member of Kaiser Permanente, you receive covered medical care from Plan Providers (physicians, registered nurses, nurse practitioners, and other medical professionals) inside your Home Region's Service Area at Plan Facilities, except as described in this *Disclosure Form* or the *Evidence of Coverage* for the following Services listed below:

- Authorized referrals
- Emergency ambulance Services

- Emergency Care, Post-Stabilization Care, and Urgent Care from Non-Plan Providers
- Out-of-Area Dialysis Care
- Visiting other Regions

Original Medicare will not pay for any care that is not covered by Kaiser Permanente (except for hospice care for Members with Medicare Part A and qualifying clinical trials).

For Plan Facility locations, please refer to the enclosed facility listing *Your Guidebook to Kaiser Permanente Services*, our Web site at kp.org, or your local telephone book under "Kaiser Permanente."

Emergency Care and Post-Stabilization Care from Non-Plan Providers

If you have an Emergency Medical Condition, you do not need to get prior authorization from us to get Emergency Care or Out-of-Area Urgent Care from Non-Plan Providers. However, you must get prior authorization from us for Post-Stabilization Care from Non-Plan Providers (prior authorization means that we must approve the Services in advance for the Services to be covered), except as otherwise described in this section.

Emergency Care. If you have an Emergency Medical Condition, call **911** or go to the nearest hospital (including an emergency room or urgent care center). When you have an Emergency Medical Condition, we cover Emergency Care anywhere in the world.

An Emergency Medical Condition is: (1) a medical or psychiatric condition that manifests itself by acute symptoms of sufficient severity (including severe pain) such that you could reasonably expect the absence of immediate medical attention to result in serious jeopardy to your health or body functions or organs, or (2) active labor when there isn't enough time for safe transfer to a Plan Hospital (or designated hospital) before delivery or if transfer poses a threat to your (or your unborn child's) health and safety.

Note: For ease and continuity of care, we encourage you to go to a Plan Hospital Emergency Department listed in *Your Guidebook* if you are inside your Home Region's Service Area, but only if it is reasonable to do so considering your condition or symptoms.

Post-Stabilization Care. Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive after your treating physician determines that your condition is Clinically Stable.

We cover Post-Stabilization Care if one of the following is true:

- We provide or authorize the care
- The care was Medically Necessary to maintain stabilization and it was administered within one hour following a request for authorization and we have not yet responded
- We do not agree with the Non-Plan Provider about your care, and a Plan Physician is not available for consultation
- In the rare circumstance that we are unavailable or cannot be contacted

Covered Post-Stabilization Care is effective until one of the following events occurs:

- You are discharged from the Non-Plan Hospital
- We assume responsibility for your care
- The Non-Plan Provider and we agree to other arrangements

To request authorization for Post-Stabilization Care from a Non-Plan Provider, the Non-Plan Provider must call us toll free at **1-800-225-8883** (TTY users call **711**) or the notification telephone number on your Kaiser Permanente ID card *before* you receive the care. Be sure to ask the Non-Plan Provider to tell you what care (including any transportation) we have authorized since we do not cover unauthorized Post-Stabilization Care or related transportation provided by Non-Plan Providers, except as otherwise described in this section. Also, you will only be held financially liable if you are notified by the Non-Plan Provider or us about your potential liability.

Please refer to your *Evidence of Coverage* for coverage information, exclusions, and limitations.

Urgent Care from Non-Plan Providers

Inside the Service Area

In the event of unusual circumstances that delay or render impractical the provision of Services under this *Disclosure Form* (such as major disaster, epidemic, war, riot, and civil insurrection), we cover Urgent Care inside your Home Region's Service Area from a Non-Plan Provider.

Out-of-Area Urgent Care

If you have an Urgent Care need due to an unforeseen illness or unforeseen injury, we cover Medically Necessary Services to prevent serious deterioration of your health from a Non-Plan Provider if all of the following are true:

- You receive the Services from Non-Plan Providers while you are temporarily outside your Home Region's Service Area
- You reasonably believed that your health would seriously deteriorate if you delayed treatment until you returned to your Home Region's Service Area

Your identification card

Each Member's Kaiser Permanente identification card has a medical record number on it, which you will need when you call for advice, make an appointment, or go to a provider for covered care. When you get care, please bring your Kaiser Permanente ID and a photo ID. Your medical record number is used to identify your medical records and membership information. Your medical record number should never change. Please call our Member Service Call Center if we ever inadvertently issue you more than one medical record number or if you need to replace your Kaiser Permanente ID card.

If you need to get care before you receive your ID card, please ask your group for your group (purchaser) number and the date your coverage became effective. This information will be helpful if you need care before receiving your ID card.

Your Medicare card. As a Member, you will not need your red, white, and blue Medicare card to get covered Services, but do keep it in a safe place in case you need it later.

Interpreter Services

If you need interpreter services when you call us or when you get covered Services, please let us know. Interpreter services are available 24 hours a day, seven days a week, at no cost to you. For more information on the interpreter services we offer, please call our Member Service Call Center.

Plan Facilities and *Your Guidebook to Kaiser Permanente Services (Your Guidebook)*

At most of our Plan Facilities, you can usually receive all the covered Services you need, including Emergency Care, Urgent Care, specialty care, pharmacy, and lab work. You are not restricted to a particular Plan Facility, and we encourage you to use the facility that will be most convenient for you. For facility locations, please refer to the enclosed facility listing or call our Member Service Call Center.

- All Plan Hospitals provide inpatient Services and are open 24 hours a day, seven days a week
- Emergency Care is available from Plan Hospital Emergency Departments as described in *Your Guidebook* (please refer to *Your Guidebook* for Emergency Department locations in your area)
- Same-day Urgent Care appointments are available at many locations (please refer to *Your Guidebook* for Urgent Care locations in your area)

- Many Plan Medical Offices have evening and weekend appointments
- Many Plan Facilities have a Member Services Department (refer to *Your Guidebook* for locations in your area)

Plan Medical Offices and Plan Hospitals for your area are listed in *Your Guidebook*. *Your Guidebook* describes the types of covered Services that are available from each Plan Facility in your area (some facilities provide only specific types of covered Services). *Your Guidebook* also explains how to use our Services and make appointments, lists hours of operations, and includes a detailed telephone directory for appointments and advice. *Your Guidebook* provides other important information, such as preventive care guidelines and your Member rights and responsibilities.

Your Guidebook is subject to change and is periodically updated. We will mail you *Your Guidebook* after you've enrolled. If you do not receive a copy or need another copy, call our Member Service Call Center and you can get a copy by visiting our Web site at **kp.org**.

Provider Directory

We will send you annually either a provider directory or an update to your provider directory that lists our Plan Providers. If you don't have the provider directory, you can request a copy from our Member Service Call Center. Also, a complete list of Plan Providers in your area is available on your Web site at **kp.org**.

Your personal Plan Physician

Personal Plan Physicians play an important role in coordinating care, including hospital stays and referrals to specialists. We encourage you to choose a personal Plan Physician. You may choose any available personal Plan Physician. Most personal Plan Physicians are Primary Care Physicians (generalists in internal medicine, pediatrics, or family practice, or specialists in obstetrics/gynecology who the Medical Group designates as Primary Care Physicians). Some specialists who are not designated as Primary Care Physicians but who also provide primary care may be available as personal Plan Physicians. You can change your personal Plan Physician for any reason. To learn how to select a personal Plan Physician, please call our Member Service Call Center. You can find a directory of our Plan Physicians on our Web site at **kp.org**. For the current list of physicians that are available as Primary Care Physicians, please call the personal physician selection department at the phone number listed in *Your Guidebook*.

Getting a referral

Referrals to Plan Providers

A Plan Physician must refer you before you can receive care from specialists, such as specialists in surgery, orthopedics, cardiology, oncology, urology, and dermatology. However, you do not need a referral to receive care from any of the following:

- Your personal Plan Physician
- Generalists in internal medicine, pediatrics, and family practice
- Specialists in optometry, psychiatry, chemical dependency, and obstetrics/gynecology

Medical Group authorization procedure

Certain Services, as described in the *Evidence of Coverage*, require prior authorization by the Medical Group for the Services to be covered (prior authorization means that the Medical Group must approve the Services in advance for the Services to be covered).

Decisions regarding requests for authorization will be made only by licensed physicians or other appropriately licensed medical professionals. For more information about Services subject to an authorization procedure, please refer to the *Evidence of Coverage* or call our Member Service Call Center.

Second opinions

If you request a second opinion, it will be provided to you when Medically Necessary by an appropriately qualified medical professional. You can either ask your Plan Physician to help you arrange for a second medical opinion, or you can make an appointment with another Plan Physician. For more information, please refer to the *Evidence of Coverage*.

How Plan Providers are paid

Health Plan and Plan Providers are independent contractors. Plan Providers are paid in a number of ways, such as salary, capitation, per diem rates, case rates, fee for service, and incentive payments. To learn more about how Plan Physicians are paid to provide or arrange medical and hospital care for Members, please ask your Plan Physician or call our Member Service Call Center.

Your costs

Cost Sharing (Deductibles, Copayments, and Coinsurance)

When you receive covered Services, you must pay your Cost Sharing amount as described in your *Evidence of Coverage* at the time you receive the Services. In some cases, we may agree to bill you for your Cost Sharing amount.

For items ordered in advance, you may have to pay the Cost Sharing in effect on the order date (although we will not cover the item unless you still have coverage for it on the date you receive it), and you may be required to pay the Cost Sharing before the item is ordered. For outpatient prescription drugs, the order date is the date that the pharmacy processes the order after receiving all the information they need to fill the prescription.

Copayments and Coinsurance

A summary of Copayments and Coinsurance is listed in *Your Benefits (Disclosure Form Part One)*. Please refer to the "Benefits and Cost Sharing" section of your *Evidence of Coverage* for the complete list of Copayments and Coinsurance.

Annual out-of-pocket maximum

There is a limit to the total amount of Cost Sharing you must pay in a calendar year for certain Services you receive in the same calendar year, which are listed in your *Evidence of Coverage*. The limit amounts are specified in *Your Benefits (Disclosure Form Part One)*. If you are a Member in a Family of two or more Members, you reach the annual out-of-pocket maximum either when you meet the maximum for any one Member, or when your Family reaches the Family maximum. Please refer to your *Evidence of Coverage* for more information about annual out-of-pocket maximums.

When you pay for these Services, ask for and keep the receipt. When the receipts add up to the annual out-of-pocket maximum, please call our Member Service Call Center to find out where to turn in your receipts. When you turn them in, we will give you a document stating that you do not have to pay any more Cost Sharing for the specified Services through the end of the calendar year.

Payment of Premiums

Your group is responsible for paying Premiums. If you are responsible for any contribution to the Premiums, your group will tell you the amount and how to pay your group. In addition to any amount you must pay your group, you must also continue to pay Medicare your monthly Medicare premium.

Medicare Part D late enrollment penalty. If you don't join a Medicare Part D drug plan when you are first eligible, or you go without creditable prescription drug coverage for a continuous period of 63 days or more, you may have to pay a late enrollment penalty when you enroll in a Part D plan later. If this Senior Advantage plan does not include Part D coverage, your group is responsible for informing you about whether your drug coverage is Medicare Part D creditable drug coverage. If this Senior Advantage plan includes Part D coverage, your group will inform you if the penalty applies to you. However, if you qualify for extra help, you may not have to pay a penalty.

Financial liability

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may be liable for the cost of noncovered Services you obtain from Plan Providers or Non-Plan Providers. If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for covered care you receive from that provider until we make arrangements for the Services to be provided by another Plan Provider and notify you of the arrangements. In some cases, you may be eligible to receive Services from a terminated provider as described in the *Evidence of Coverage*.

Requesting reimbursement

If you receive Emergency Care, Post-Stabilization Care, Out-of-Area Urgent Care, and out-of-area dialysis care from a Non-Plan Provider (and Medicare Part D drugs for Senior Advantage with Part D Members), ask the Non-Plan Provider to submit a claim to us within 60 days or as soon as possible, but no later than 15 months after receiving the care (or up to 27 months according to Medicare rules, in some cases). If the provider refuses and bills you, send us the unpaid bill with a claim form. To file a claim, this is what you need to do:

- As soon as possible, request our claim form by calling our Member Service Call Center toll free at **1-800-443-0815** or **1-800-390-3510** (TTY users call **1-800-777-1370**). One of our representatives will be happy to assist you if you need help completing our claim form
- If you have paid for Services, you must send us our completed claim form for reimbursement. Please attach any bills and receipts from the Non-Plan Provider
- You must complete and return to us any information that we request to process your claim, such as claim forms, consents for the release of medical records, assignments, and claims for any other benefits to which you may be entitled. For example, we may require documents such as travel documents or original travel tickets to validate your claim

- The completed claim form must be mailed to the following address as soon as possible, but no later than 15 months after receiving the care (or up to 27 months according to Medicare rules, in some cases). Please do not send any bills or claims to Medicare. Any additional information we request should also be mailed to this address:

Termination of benefits

Your group is required to inform the Subscriber of the date your membership terminates except as otherwise noted. You will be billed as a non-Member if you receive any Services after your membership terminates.

Membership will cease for you (the Subscriber) and your Dependents if:

- The contract between your group and Kaiser Permanente is terminated for any reason
- You are no longer eligible for group coverage as described in your *Evidence of Coverage*
- Your group fails to pay us the appropriate Premiums for your Family
- You are temporarily absent from your Home Region's Service Area for more than six months in a row
- You permanently move outside your Home Region's Service Area
- You are no longer entitled to Medicare Part B
- You enroll in another Medicare health plan or a prescription drug plan
- Our contract with the Centers for Medicare & Medicaid Services (CMS) to offer Senior Advantage terminates

You may terminate (disenroll from) your Senior Advantage membership at any time. However, before you request disenrollment, please check with your group to determine if you are able to continue your group membership.

You may request disenrollment by calling toll free **1-800-MEDICARE/1-800-633-4227** (TTY users call **1-877-486-2048**) 24 hours a day, seven days a week, or by sending written notice to the following address:

Kaiser Foundation Health Plan, Inc.
California Service Center
P.O. Box 232400
San Diego, CA 92193-2400

We may terminate your membership by sending you advance written notice if you commit one of the following acts:

- You behave in a way that is disruptive, to the extent that your continued enrollment seriously impairs our ability to arrange or provide medical care for you or for our other members. We cannot make you leave our Plan for this reason unless we get permission first from Medicare
- If you let someone else use your Plan membership card to get medical care. If you are disenrolled for this reason, CMS may refer your case to the Inspector General for additional investigation
- You commit theft from Health Plan, from a Plan Provider, or at a Plan Facility
- You intentionally misrepresent membership status or commit fraud in connection with your obtaining membership
- If your coverage includes Medicare Part D prescription drugs, you knowingly falsify or withhold information about other parties that provide reimbursement for your prescription drug coverage

Please refer to the *Evidence of Coverage* for more information.

Continuation of membership

Continuation of group coverage

You may be able to continue your group coverage for a limited time after you would otherwise lose eligibility, if required by the federal COBRA law. Please refer to the *Evidence of Coverage* for more information.

Converting from group membership to an individual plan

If you no longer meet the eligibility requirements described in the *Evidence of Coverage*, or if you enroll in COBRA continuation coverage and then lose eligibility for that coverage, we will automatically convert your group membership to our *Senior Advantage Individual Plan Agreement* if you still meet the eligibility requirements for Senior Advantage and have not disenrolled. The premiums and coverage under our individual plan will differ from those under this *Disclosure Form*

and will require that you have Medicare Part D if you don't already have Medicare Part D.

If you are no longer eligible for Senior Advantage and group coverage, you may be eligible to convert to our non-Medicare individual plan, called "Kaiser Permanente Individual–Conversion Plan." You may be eligible to enroll in our Individual–Conversion Plan if we receive your enrollment application within 63 days of the date of our termination letter or of your membership termination date (whichever date is later).

You may not be eligible to convert if your membership ends in certain cases. For information about converting your membership or about other individual plans, please refer to the *Evidence of Coverage* or call our Member Service Call Center.

Getting assistance

We want you to be satisfied with the health care you receive from Kaiser Permanente. If you have any questions or concerns, please discuss them with your personal Plan Physician or with other Plan Providers who are treating you. They are committed to your satisfaction and want to help you with your questions.

Member Services

Most Plan Facilities have an office staffed with representatives who can provide assistance if you need help obtaining Services. At different locations, these offices may be called Member Services, Patient Assistance, or Customer Service. In addition, our Member Service Call Center representatives are available to assist you seven days a week 8 a.m. to 8 p.m. toll free at **1-800-443-0815** (TTY users call **1-800-777-1370**). For your convenience, you can also contact us through our Web site at **kp.org**.

Member Service representatives at our Plan Facilities and Member Service Call Center can answer any questions you have about your benefits, available Services, and the facilities where you can receive care. For example, they can explain your Health Plan benefits, how to make your first medical appointment, what to do if you move, what to do if you need care while you are traveling, and how to replace your ID card. These representatives can also help you if you need to file a claim.

Dispute resolution and binding arbitration

If an issue is not informally resolved to your satisfaction, a representative can help you with the following procedures for resolving disputes, which are discussed in detail in your *Evidence of Coverage*:

- **Grievances.** The grievance procedure applies to any complaint or issue unless it involves a request for an initial determination, an appeal, or a complaint about certain Services ending too soon as described in the "Requests for Services or Payment, Complaints, and Medicare Appeal Procedures" section of your *Evidence of Coverage*
- **Binding arbitration.** Claims arising from your Health Plan membership must be decided through binding arbitration. This includes claims for medical or hospital malpractice, for premises liability, or relating to the coverage for, or delivery of, Services, regardless of legal theory. Both sides give up all rights to a jury or court trial, and both sides are responsible for certain costs associated with binding arbitration. Binding arbitration does not apply to claims subject to a Medicare appeal procedure, or claims that may be brought in small claims court
- **Requests for Part C Services and Part D drugs (if applicable) or payments.** What you can do if you have problems getting the Part C Services or Part D drugs you request, or payment (including the amount you paid) for a Part C Service or Part D drug you have already received
- **Complaints if you think you are being asked to leave the hospital too soon.** What to do if you believe that you are being discharged from the hospital too soon
- **Complaints if you think your Skilled Nursing Facility (SNF), Home Health Agency (HHA), or Comprehensive Outpatient Rehabilitation Facility (CORF) Services are ending too soon.** What to do if you believe that coverage for SNF, HHA, or CORF is ending too soon

This is a brief summary of dispute resolution options. Please refer to your *Evidence of Coverage* for more information, including the complete arbitration provision.

Renewal provisions

Your group is responsible for informing you when its contract with Kaiser Permanente is changed or terminated. The contract generally changes each year, or sooner if required by law.

Limitations

We will do our best to provide or arrange for our Members' health care needs in the event of unusual circumstances that delay or render impractical the provision of Services, such as major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Plan Facility, complete or partial destruction of facilities, and labor disputes.

Additional limitations that apply only to a particular benefit are listed in the description of that benefit in your *Evidence of Coverage*.

Reductions

As a Senior Advantage Member, you receive all Medicare covered benefits through us (except for hospice care for Members with Medicare Part A and qualifying clinical trials, which are covered by Original Medicare) and these benefits are not duplicated.

When Medicare by law is the secondary payer, federal law authorizes health plans to seek reimbursement from the medical expense provisions of any motor vehicle insurance covering you, and any liability insurance that provides payment for injuries or illness to you. We will reduce your benefits by all amounts paid or payable under your other health plan or insurance policy.

If you obtain a judgment or settlement from or on behalf of a third party who allegedly caused an injury or illness for which you received covered Services, you must pay us Charges for those Services, except that the amount you must pay will not exceed the maximum amount allowed under California Civil Code Section 3040.

Note: This "Reductions" section does not affect your obligation to pay Cost Sharing for these Services, but we will credit any such payments toward the amount you must pay us under this paragraph. Alternatively, we may file a subrogation claim on our own behalf against the third party.

Please refer to your *Evidence of Coverage* for additional information and other reductions (for example, coordination of benefits, surrogacy arrangements, and workers' compensation).

To become a Member

We look forward to welcoming you as a Kaiser Permanente Member. If you are eligible to enroll, simply return a completed enrollment application (Senior Advantage Election Form) to your group. Be sure to ask your group for your group (purchaser) number and the date when your coverage becomes effective.

You can begin using our Services on your effective date of coverage. Again, if you have any questions about Kaiser Permanente, please call our Member Service Call Center or refer to the *Evidence of Coverage* for details about eligibility requirements.

In addition, to be eligible for Kaiser Permanente Senior Advantage, the following must be true:

- You must be entitled to benefits under Medicare Part B
- You may enroll in Senior Advantage regardless of health status, except that you may not enroll if you have end-stage renal disease. This restriction does not apply to you if you are currently a Health Plan Member in the Northern California or Southern California Region and you developed end-stage renal disease while a Member
- You continue to pay your monthly premiums to Medicare
- You live in your Home Region's Service Area. The "Definitions" section describes your Home Region's Service Area and how it may change
- Your Medicare coverage is primary and your group's health care plan is secondary under federal law. **Note:** When Medicare is secondary by law, your enrollment in Senior Advantage is voluntary and is not required by us or your group. When Medicare is primary, your group may require enrollment in Senior Advantage for you to remain eligible under its group plan

Note: You may not be enrolled in two Medicare health plans at the same time. If you enroll in Senior Advantage, CMS will automatically disenroll you from any other Medicare health plan, including a Medicare Prescription Drug Plan.

Miscellaneous notices

Drug formulary

Our drug formularies include the list of drugs that have been approved by our Pharmacy and Therapeutics Committee for our Members. Our Pharmacy and Therapeutics Committee, which is primarily composed of Plan Physicians, selects drugs for the drug formulary based on a number of factors, including safety and effectiveness as determined from a review of medical literature. The Pharmacy and Therapeutics Committee meets quarterly to consider additions and deletions based on new information or drugs that become available. If you would like to request a copy of our drug formulary, please call our Member Service Call Center. **Note:** The presence of a drug on our drug formulary does not necessarily mean that your Plan Physician will prescribe it for a particular medical condition.

Our drug formulary guidelines allow you to obtain nonformulary prescription drugs (those not listed on our drug formulary for your condition) if they would otherwise be covered and a Plan Physician determines that they are Medically Necessary. If you disagree with your Plan Physician's determination that a nonformulary prescription drug is not Medically Necessary, you may file an appeal as described in the *Evidence of Coverage*.

Note: Our Medicare Part D drug formulary lists drugs that we cover under Medicare Part D. We will mail you our Abridged Medicare Part D Drug Formulary annually. Our Medicare Part D Comprehensive Formulary is available upon request from our Member Service Call Center or on our Web site at kp.org/seniormedrx.

Also, the ZIP codes listed above may include ZIP codes for Post Office boxes and commercial rental mailboxes. A Post Office box or rental mailbox cannot be used to determine whether you meet the residence eligibility requirements for Senior Advantage. Bring it on home

Our goal is to make it as easy and convenient as possible for you to get the care you need when you need it. In fact, our California members live about eight miles from a Kaiser Permanente location on average. That means finding one near you should be a breeze.

Feel free to roam

When you join Kaiser Permanente in California, you're enrolled in either our Northern or Southern California Region. If you visit any Kaiser Permanente region outside of where you live, you can receive care as a visiting member. You also have the peace of mind knowing you're covered for emergency care anywhere in the world, so go explore.

Leaner, greener

We're committed to health in every sense of the word. Since our facilities offer multiple services under one roof, you can spend more time getting well and less time behind the wheel. And by building and running our facilities in environmentally friendly ways, we're making the world a healthier place to be.

Join the movement

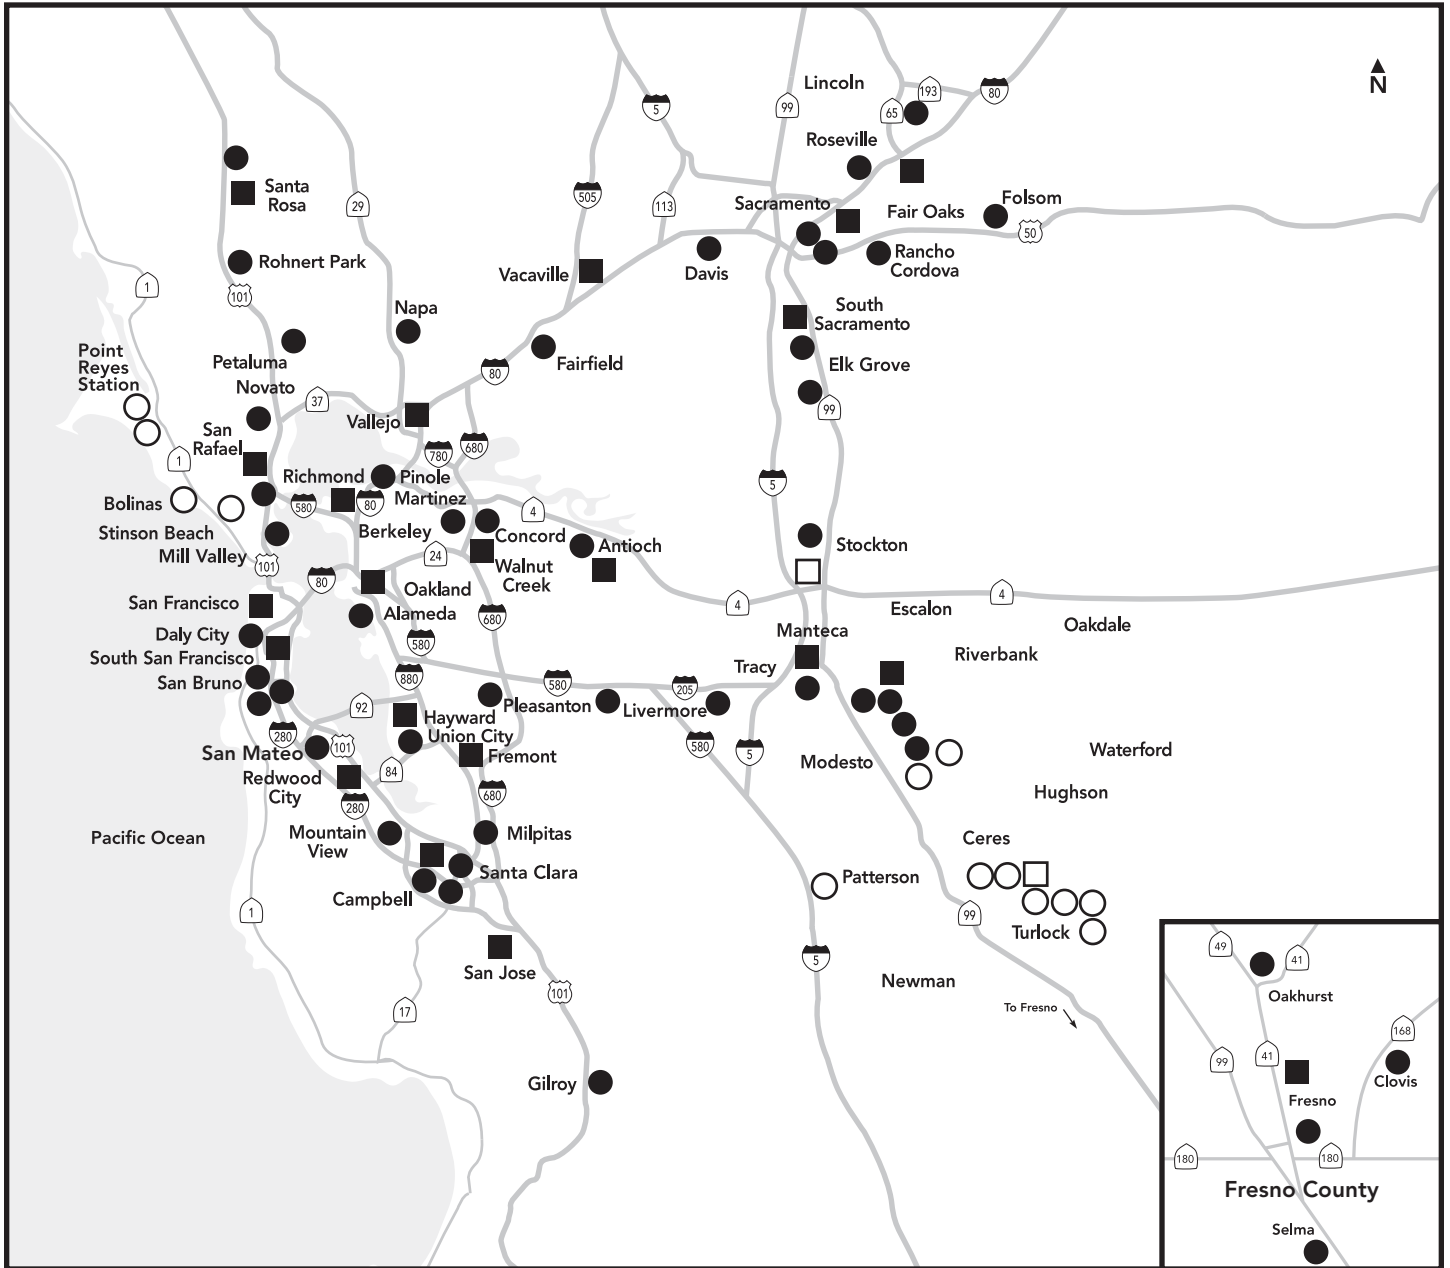

Your Kaiser Permanente membership keeps everything at the ready so you can stay on the move. Access to care and support, your choice of convenient locations, and a care team working together to back you up—it's all yours as soon as your membership starts. So what are you waiting for? Flip the switch, and activate a new way of health.

Finders, keepers

We've powered our facility finder so you can search by ZIP code or keyword to locate our services. Curious? Try it out at kp.org/facilities or download our free KP Locator application for the iPhone.
