TITLE: PARK MAINTENANCE WORKER II

DEFINITION

Under general supervision, to perform a variety of semi-skilled and skilled gardening and maintenance duties in the construction, maintenance, and repair of park and recreation facilities; and to do related work as required.

DISTINGUISHING CHARACTERISTICS

This is the journey level in the maintenance worker series in the Park Division. Positions assigned to this class are normally filled by advancement from the Maintenance Worker I class, or , when filled from the outside, require prior experience in construction and maintenance activities. Appointment to the higher class requires that the employee be performing substantially the full range of duties for the class and meet the qualification standards for the class. All positions assigned to this class require the ability to work independently, exercising judgement and initiative.
