

# Science and Technology Education Partnership

## Educate to Innovate...Why STEM Education Matters!

Dr. Pamela S. Clute  
Assistant Vice Chancellor,  
Educational and Community Engagement  
University of California, Riverside

This program is designed to inform and inspire the teaching and learning of STEM. Attendees will participate in “hands on” activities which demonstrate the interconnectedness of Science, Technology, Engineering and Mathematics. Instructional materials will be provided along with a certificate of recognition from Founder and Honorary Chairman, Congressman Ken Calvert. Heavy snacks will be served and wonderful door prizes will be given away!

Where: Bourns Inc. 1200 Columbia Ave.  
Riverside, CA 92507

When: Wednesday, October 9, 2013

Time: 3:15 - 3:45 Registration  
3:45 - 6:00 Program  
6:00 - 6:30 Door prizes

Cost: A Smile 😊

Due to limited seating, STEP is only open to NEW & FIRST TIME ATTENDEES. If you have attended before please forward this flyer to a colleague who has not experienced the wonder of STEP. Reservations are required by Friday, September 20, 2013. There will be no “walk-ins” allowed on the day of the event. RSVP to Candy McReynolds at: [candym@ucr.edu](mailto:candym@ucr.edu)
