Stephen V. Yorke is a job coach/consultant who uses proven techniques to help clients learn to prepare for the employment experience. In addition to job preparation training, he uses related assessments, job development, counseling, support, and other services needed to maintain the employment. A Doctoral student in Public Administration, MPA & BSHSM, he possesses over two decades of experience in both the public and private sectors. A jack of all trades, Stephen is a dynamic public speaker who has over two decades of experience in the field of service!

"There are no second place awards for interviewing, only the victors who will accept the job. You cannot win silver; you lose gold in the job search competition."

-Stephen V. Yorke

Introduction to Career Skills Workshop

The purpose of the employment workshops is to introduce the participants to successful preparation for job seekers. The course will cover a variety of topics and identify obstacles that job seekers face. Participants will learn how they can become viable candidates for job openings. With the newly acquired skills and knowledge, participants will increase their prospects for gainful employment while developing empowerment.
