LITERACY NEWS

Dear Literacy Tutors,

Just wanted to give you a recap of what has been going on in the Literacy Department.

We have just finished with the tutor workshop I and have 12 candidates that are currently interested in being in the program.

Also we have received our grant money from the State and we will soon be able to update some of the literacy workbooks and buy new ones for the collection.

Due to time constraints and the holidays coming up we have all been very busy here

at the Library as I am sure you will be with gatherings and parties, so we will defer our next roundtable to the spring 2011 to get the most attendance as possible for this event.

The theme for this roundtable will be exchanging ideas and tools that help working with learners and tutors. Once again we will send invitations out to the tutors and please encourage your learner to come. If you do not have a learner you are very much welcomed to come as this

will have very valuable information. I will be calling on one of the more seasoned tutors to speak and give a presentation for this event.

Feel free to call or email me or Marlene if any of you would be interested in giving a presentation for this workshop so we could start working on this in the months to come.

Thanks again for your commitment to the Literacy program and being Literacy Ambassadors in our community.

*Sincerely the Literacy Team,
Marlene, Maria and Miriam*
