Any such authorization, in whatever term granted, shall not mean and include any license or permit required for the privilege of transacting and carrying on a business within the City in accordance with Chapter 5.04 entitled "Licenses" of the Riverside Municipal Code, relating to the business license tax of the City of Riverside.

"Franchise area" means the territory within the City throughout which grantee shall be authorized to construct, maintain and operate its system and shall include any enlargements thereof and additions thereto.

Section 5.56.020 Exclusive use of telephone facilities.

When and in the event that the grantee of any franchise granted hereunder constructs, operates and maintains a CATV system exclusively through telephone company facilities constructed, operated and maintained pursuant to a State-granted telephone franchise and offers satisfactory proof that in no event during the life of such franchise shall the grantee make any use of the streets independently of such telephone company facilities, said grantee shall be required to comply with all of the provisions hereof as a "licensee" and in such event whenever the term "grantee" is used in this chapter it means and includes "licensee." (Ord. 3624 § 2, 1969)

Section 5.56.030 Franchise to operate.

A nonexclusive franchise to construct, operate and maintain a CATV system within all or any portion of the City may be granted by the Council to any person, firm or corporation, whether operating under an existing franchise or not, who or which offers to furnish and provide such system under and pursuant to the terms and provisions of this chapter.

No provision of this chapter may be deemed or construed as to require the granting of a franchise when in the opinion of the Council it is in the public interest to restrict the number of grantees to one or more. (Ord. 3624 § 3, 1969)

Section 5.56.040 Uses permitted by grantee.

Any franchise granted pursuant to the provisions of this chapter shall authorize and

permit the grantee to engage in the business of operating and providing a CATV system in the City, and for that purpose to install, construct, repair, replace, reconstruct, maintain and retain in, on, over, under, upon, across and along any public street, such wires, cables, conductors, ducts, conduit, vaults, manholes, amplifiers, appliances, attachments, and other property as may be necessary and appurtenant to the CATV system. No new poles may be installed except where unusual circumstances exist and where express written permission is provided by the Public Works Director.

No franchise granted hereunder shall be construed a franchise, permit or license to transmit any special program or event for which a separate and distinct charge is made to the subscriber in the manner commonly known and referred to as "pay television," and no grantee shall directly or indirectly install, maintain or operate on any television set a coin box or any other device or means for collection of money for individual programs.

The grantee may make a charge to subscribers for installation or connection to its CATV system and a fixed monthly charge as filed and approved as provided in this chapter. No increase in the rates and charges to subscribers, as set forth in the schedule filed and approved with grantee's application, may be made without the prior approval of the Council expressed by resolution. (Ord. 3624 § 4, 1969)

Section 5.56.050 Duration.

No franchise granted by the Council under this chapter shall be for a term longer than fifteen years following the date of acceptance of such franchise by the grantee or the renewal thereof.

Any such franchise granted hereunder may be terminated prior to its date of expiration by the Council in the event that the Council shall have found, at a public hearing, after thirty days' notice of any proposed termination that:

A. The grantee has failed to comply with any provision of this chapter, or has, by act or omission, violated any term or condition of any franchise or permit issued hereunder; or

B. Any provision of this chapter has become invalid or unenforceable and the Council further finds that such provision constitutes a consideration material to the grant of said franchise; or

C. The City acquires the CATV system property of the grantee. (Ord. 3624 § 5, 1969)

Section 5.56.060 Payments.

A. Acceptance Fee. The grantee of any franchise granted pursuant to this chapter shall pay to the City upon acceptance of such franchise, a fee certain of two thousand five hundred dollars.

The grantee of any franchise shall pay annually to the City during the life of the franchise a sum equal to five percent of the gross annual receipts of the grantee derived from subscriptions and users within the City, and in addition thereto such other sums as may be provided for in grantee's franchise. Such payments will be made to the finance director.

C. Annual PEG Facilities Support Fee. The Grantee of any franchise shall pay annually to the City during the life of the franchise a sum equal to one percent of the gross annual receipts of the Grantee derived from subscriptions and users within the City for the purpose of supporting PEG channel facilities.

It shall be the duty of the grantee to pay to the City, within ten days after the time for filing such statements,

the sum hereinabove prescribed or any unpaid balance thereof for the calendar year or portion thereof covered by such statements.

In the event that the above payment is not received by the City within the specified time, grantee shall pay to the City liquidated damages of two percent per month on the unpaid balance in addition thereto. In any year during which payments under this section amount to less than one thousand eight hundred dollars per year, the grantee shall pay the City as a minimum an amount equal to one thousand eight hundred dollars per year. For any portions of a year, such minimum shall be prorated at the rate of one hundred fifty dollars monthly.

The City shall have the right to inspect the grantee's records showing the gross receipts from which its franchise payments are computed and the right of audit and recomputation of any and all amounts paid under this chapter. No acceptance of any payments shall be construed as a release or as an accord and satisfaction of any claim the City may have for further or additional sums payable under this chapter or for the performance of any other obligation hereunder.

In the event of any holding over after expiration or other termination of any franchise granted hereunder, without the consent of the City, the grantee shall pay to the City a reasonable compensation and damages, of not less than one hundred percent of its total gross profits during said period. (Ord. 3624 § 7D, 1969)

Any such transfer or assignment shall be made only by an instrument in writing, a duly executed copy of which shall be filed in the office of the City Clerk within ten days after any such transfer or assignment. Said consent of the Council may not be arbitrarily refused; provided, however, the proposed assignee will show financial responsibility and must agree to comply with all provisions of this chapter; and provided, further, that no such consent shall be required for a transfer in trust, mortgage, or other hypothecation as whole to secure an indebtedness. (Ord. 3624 § 7G, 1969)

grantee and the City, any and all construction, operation and maintenance by any grantee of any CATV system in the City shall be, and shall be deemed and construed in all instances and respects to be, under and pursuant to said franchise, and not under or pursuant to any other right, privilege, power, immunity, or authority whatsoever. The maximum amount of monetary penalties that may be imposed shall not exceed the following: for the first material breach of a standard, \$500 for each day of violation, not to exceed \$1,500; for the second breach of the same standard within 12 months, \$1,000 for each day of violation, not to exceed \$3,000; for the third breach of the same standard, \$2,500 for each day of violation, not to exceed \$7,500. (Ord. 6941 § 1, 2, 2007)

If at any time during the period of this franchise, the City lawfully elects to alter or change the grade of any street, sidewalk, alley or other public way, the grantee, upon reasonable notice by the City, shall remove, relay, and relocate his wires, cables, underground conduits, manholes and other fixtures at its own expense. (Ord. 3624 § 7O, 1969)

Section 5.56.220 Placement of fixture on public way.

C. Neither the granting of any franchise hereunder nor any of the provisions contained herein shall be construed to prevent the City from granting any identical, or similar, franchise to any other person, firm or corporation, within all or any portion of the City.

D. There is hereby reserved to the City the power to amend any section or part of this chapter so as to require additional or greater standards of construction, operation, maintenance or otherwise, on the part of the grantee.

E. Neither the granting of any franchise nor any provision hereof shall constitute a waiver or bar to the exercise of any governmental right or power of the City.

F. The Council may do all things which are necessary and convenient in the exercise of its jurisdiction under this chapter and may determine any question of fact which may arise during the existence of any franchise granted hereunder. The City Manager is authorized and empowered to adjust, settle, or compromise any controversy or charge arising from the operations of any grantee under this chapter, either on behalf of the City, the grantee, or any subscriber, in the best interest of the public. Either the grantee or any member of the public who may be dissatisfied with the decision of the City Manager may appeal the matter to the Council for hearing and determination. The Council may accept, reject or modify the decision of the City Manager, and the Council may adjust, settle, or compromise any controversy or cancel any charge arising from the operations of any grantee or from any provision of this chapter. service to all areas designated on the map accompanying the application for franchise, as provided in Sections 5.56.580 through 5.56.610, shall be provided to all grantee's licensed subscribers within such time and upon such conditions as shall be determined by the City Council.

D. Failure to do any of the foregoing shall be grounds for a termination of the franchise.

E. The City Manager may extend the time for obtaining necessary permits and authorizations and for beginning construction and installation for additional periods in the event the grantee acting in good faith experiences delays by reason of circumstances beyond his control. (Ord. 3624 § 9, 1969)

Section 5.56.280 Location of property of grantee.

A. Any wires, cable lines, conduits or other properties of the grantee to be constructed or installed in streets, shall be so constructed or installed only at such locations and in such manner as shall be approved by the Public Works Director acting in the exercise of his reasonable discretion.

B. The grantee shall not install any facilities or apparatus in or on other public property, places or rights-of-way, or within any privately-owned area within the City which has not yet become a public street but is designated or delineated as a proposed public street on any tentative subdivision map approved by the City, except those installed upon public utility facilities now existing, without obtaining the prior written approval of the Public Works Director.

C. In those areas and portions of the City where the transmission and/or distribution facilities of one or more public utilities engaged in providing electric or telephone service are underground or hereafter may be placed underground, then the grantee shall likewise construct, operate and maintain all of its transmission and distribution facilities underground. (Ord. 3624 § 10, 1969)

Section 5.56.290 Removal and abandonment of property of grantee.

A. In the event that the use of any part of the CATV system is discontinued for any reason for a continuous period of three months, or in the event such system or property has been installed in any street or public place without complying with the requirements of grantee's franchise or this chapter, or the franchise has been terminated, cancelled or has expired, the grantee shall promptly, upon being given thirty days' notice remove from the streets or public places all such property of such system other than any which the Director of Public Works may permit to be abandoned in place. In the event of such removal, the grantee shall promptly restore the street or other area from which such property has been removed to a condition satisfactory to the Director of Public Works.

B. Any property of the grantee remaining in place thirty days after the termination or expiration of the franchise shall be considered permanently abandoned. The City Manager may extend such time not to exceed an additional thirty days.

C. Any property of the grantee to be abandoned in place shall be abandoned in such manner as the Director of Public Works shall prescribe. Upon permanent abandonment of the property of the grantee in place, the property shall become that of the City, and the grantee shall submit to the City Council an instrument in writing, to be approved by the City Attorney, transferring to the City the ownership of such property. (Ord. 3624 § 11, 1969)

The grantee shall, at its expense, protect, support, temporarily disconnect, relocate in the same street or other public place, or remove from the street or other public place, any property of the grantee when required by the Director of Public Works by reason of traffic conditions, public safety, street vacation, freeway and street construction, change or

establishment of street grade, installation of sewers, drains, storm drains, water pipes, power lines, signal lines, and tracks or any other type of structures or improvements by public agencies; provided, however, that the grantee shall in all such cases have the privilege and be subject to the obligations to abandon any property of the grantee in place, as provided in Section 5.56.290. (Ord. 3624 § 12, 1969)

Upon failure of the grantee to commence, pursue, or complete any work required by law or by the provisions of this chapter or by its franchise to be done in any street or other public place, within the time prescribed, and to the satisfaction of the Public Works Director, the City Manager may, at his option, cause such work to be done and the grantee shall pay to the City the cost thereof in the itemized amounts reported by the City Manager to the grantee within ten days after receipt of such itemized report. (Ord. 3624 § 13, 1969)

Section 5.56.320 Faithful performance bond.

A. The grantee shall, concurrently with the filing of and acceptance of award of any franchise granted under this chapter, file with the City Clerk, and at all times thereafter maintain in full force and effect for the term of such franchise or any renewal thereof, at grantee's sole expense, a corporate surety bond in a company and in a form approved by the City Attorney, in the amount of one hundred thousand dollars, renewable annually, and conditioned upon the faithful performance of grantee, and upon the further condition that in the event grantee fails to comply with any one or more of the provisions of this chapter, or of any franchise issued to the grantee hereunder, there shall be recoverable jointly and severally from the principal and surety of such bond any damages or loss suffered by the City as a result thereof, including the full amount of any compensation, indemnification, or cost of removal or abandonment of any property of the grantee as prescribed hereby which may be in default, plus a reasonable allowance for attorney's fees and costs, up to the full amount of the bond; said condition to be a continuing obligation for the duration of such franchise and any renewal thereof and thereafter until the grantee has liquidated all of its obligations with the City that may have arisen from the acceptance of said franchise or renewal by the grantee or from its exercise of any privilege therein granted. The bond shall provide that thirty days' prior written notice of intention not to renew, cancellation, or material change, be given to the City.

B. Neither the provisions of this section, nor any bond accepted by the City pursuant hereto, nor any damages recovered by the City thereunder, shall be construed to excuse faithful performance by the grantee or limit the liability of the grantee under any franchise issued hereunder or for damages, either to the full amount of the bond or otherwise. (Ord. 3624 § 14, 1969)

Section 5.56.330 Indemnification of City.

A. The grantee shall indemnify and hold harmless the City, its officers, boards, commissions, agents and employees against and from any and all claims, demands, actions, suits, liabilities, and judgments of every kind and nature and regardless of the merit of the same, arising out of or related to the exercise or enjoyment of any CATV franchise granted pursuant to the provisions of this chapter, including claims, demands, actions, suits, liabilities and judgments based upon any infringement or violation or alleged violation of any copyright; and the grantee shall reimburse the City for any costs and expenses incurred by City in defending against any such claim or demand or action, including any attorney fees, accountant fees, expert witness or consultant fees, court costs, per diem expense, travel and living expense; and the grantee shall upon demand of the City appear in and defend any and all suits, actions or other legal proceedings whether judicial, quasijudicial, administrative or otherwise, brought by third persons

or duly constituted authorities against or affecting the City, its officers, boards, commissions, agents or employees and arising out of or related to the exercise or enjoyment of such franchise, or the granting thereof by the City. The foregoing obligation shall exist and continue without reference to or limitation by the amount of any bond, policy of insurance, deposit, undertaking or other security required hereunder; provided that neither the grantee nor the City shall make or enter into any compromise or settlement of any claim, demand, action or suit without first giving the other ten days' prior written notice of its intentions to do so.

B. The grantee shall, concurrently with the filing of an acceptance of award of any franchise granted under this chapter, furnish to the City and file with the City clerk, and at all times during the existence of any franchise granted hereunder, maintain in full force and effect, at its own cost and expense, a general comprehensive liability insurance policy, in protection of the City, its officers, boards, commissions, agents and employees, in a company approved by and in a form acceptable to the City Attorney, protecting the City and all persons against liability for loss or damage for personal injury, death and property damage, occasioned by the operations of the grantee under such franchise, with minimum liability limits of two hundred fifty thousand dollars for personal injury or death of any one person, and five hundred thousand dollars for personal injury or death of two or more persons in any one occurrence and one hundred thousand dollars for damage to property resulting from any one occurrence.

C. The policy mentioned in subsection B shall be primary insurance, shall name the City, its officers, boards, commissions, agents and employees, as additional insured and shall contain a provision that a written notice of cancellation, reduction, or other material change in coverage of said policy shall be delivered to the City Clerk thirty days in advance of the effective date thereof. If said insurance is provided by a policy which also covers grantee or any other entity or person other than those above mentioned, then such policy shall contain the standard cross-liability endorsement. (Ord. 3624 § 15, 1969)

Section 5.56.340 Inspection of property and records.

A. At all reasonable times, the grantee shall permit any duly authorized representative of the City to examine all property of the grantee, together with any appurtenant property of the grantee situated within or without the City, and to examine and transcribe any and all maps and other records kept or maintained by the grantee or under its control which deal with the operations, affairs, transactions or property of the grantee with respect to its franchise. If any such maps or records are not kept in the City, or upon reasonable request made available in the City, and if the City Manager determines that an examination thereof is necessary or appropriate, then all travel and maintenance expense necessarily incurred in making such examination shall be paid by the grantee.

B. The grantee shall prepare and furnish to the City Manager and/or Finance Director at the times and in the form prescribed by either of said officers, such reports with respect to its operations, affairs, transactions or property, as may be reasonably necessary or appropriate to the performance of any of the rights, functions or duties of the City or any of its officers in connection with the franchise.

C. The grantee shall at all times make and keep in the City full and complete plans and records showing the exact location of all CATV system equipment installed or in use in streets and other public places in the City.

A. That the system provide a minimum of twenty channels, capable of delivering to subscribers the entire VHF and FM spectrum and selected portions of the UHF spectrum;

B. That the system, as installed, be capable of passing standard color TV signals without the introduction of material degradation on color fidelity and intelligence;

C. That the system and all equipment be designed and rated for twenty-four-hour per day continuous operation;

D. That the system provides a nominal signal level of two thousand microvolts across seventy-five ohms at the input terminals of each TV receiver. A minimum signal of one thousand microvolts across seventy-five ohms shall be maintained for at least ninety-five percent of the operating time;

E. The system signal-to-noise ratio shall not be less than forty-three db. (decibels). Signal-to-noise is a figure of merit, thus insuring distribution of picture without noticeable degradation;

F. Hum modulation of a one hundred percent modulated picture signal shall not exceed two percent;

G. The system shall not exceed a VSWR (Voltage Standing Wave Ratio) of 1.2 at any point in the system;

H. The sound carrier level on each television channel distributed shall not be less than seventeen db. below the level of either adjacent picture carrier;

I. The carrier level of each FM channel distributed shall be not less than seventeen db. below the picture carrier level in television channels adjacent to the FM band;

J. Co-channel interference, adjacent channel interference and other extraneous signals, including hum, measured at the receiver input, shall be at least minus forty db. with respect to the peak carrier level of each desired channel;

K. Isolation between any two subscribers shall be at least thirty-five db;

L. Radiation from coaxial cables and electronic equipment in the distribution system including power supplies and associated power lines shall be less than ten microvolts per meter at any point at a distance of ten feet. Each power supply or its associated housing shall be equipped with a suitable RF power line filter which shall provide not less than thirty-six db. of attenuation to all frequency transmitted over this system;

M. Interference from sources external to the system shall not be noticeable with a blank-screen test;

N. All equipment must conform with any pertinent City and/or underwriter's laboratory standards whichever shall be more stringent;

O. The system shall maintain all of the above specifications between ambient temperature limits from minus twenty degrees Fahrenheit to plus one hundred twenty degrees Fahrenheit, where "ambient temperature" is defined as the officially recorded City air temperature, and also for AC power line variations between one hundred five and one hundred thirty volts, and between fifty-five and sixty-five Hz. The maximum level change at the input to any randomly selected receiver shall be three db. with a temperature change of fifty degrees Fahrenheit, with no adjustment and with the AC line voltage constant within five percent of nominal. The maximum level change shall be three db. for a constant ambient temperature with a voltage variation from one hundred five to one hundred thirty volts.

P. The signal received by the customer shall be substantially the same quality as originally transmitted by the station being received taking into consideration the technical conditions over which the system operator has no control. (Ord. 3624 § 17, 1969)
