NATIVE AMERICAN STORIES
Riverside Public Library

We are on a journey to North America where we will make Native American Bracelets from 1-2 then we will have a Native American Storyteller and Dancer from 2-3 in the auditorium. From 3-4 we will continue making our Native American Bracelets.

ABSTRACTION CONTRAPTION
UCR ArtsBlock (Culver Center, Sweeney Art Gallery, and California Museum of Photography)

Challenge your design skills by combining circles, squares, straight edges and curvy lines with your own imagination. Participants will be given an open-ended design with loosely placed elements and only one color paint to use in their abstract painting. With limitations such as these, the possible outcome of designs will be different in every painting. While waiting for your masterpiece to dry, you can explore techniques in abstract painting in the exhibition Journeys to Recover Your Future: New Paintings by David Leapman in the North Atrium at the Culver Center of the Arts.
