Build-a-Birdhouse, Root Beer & Pizza Party,
Make Solar S'mores, Comic Drawing,
Beagles & Buddies (Pet Adoption Agency)
Opportunity to win Dodgers Tickets & More

Schulz revolutionized the art of the comic strip through his single-handed dedication to the art, wit, and wisdom of Peanuts. For 50 years he researched, wrote, designed, and drew each Peanuts strip that appeared in daily and Sunday newspapers, producing nearly 18,000 strips.

Peanuts at Bat: The Life and Art of Charles M. Schulz explores Schulz's personal history and his role as the sole inspiration and artistic talent behind Peanuts and its unique cast of characters. Examples of Peanuts comic strips, Schulz quotes and photographs, and selected Peanuts collectibles will illuminate the story behind the creation of this most popular and influential cartoon strip. The exhibit will also showcase some of Schulz's most memorable baseball-themed comic strips. In addition, the Museum will be featuring a variety of collectibles from the community.

Organized by the Charles M. Schulz Museum, Santa Rosa, CA.
