ANIMAL OLYMPICS
Riverside Metropolitan Museum

Join the museum to “go for gold” as we compare your feats of strength to those of the animal kingdom. Run an obstacle course, play “pin the tail on the lizard” and try to catch bugs like a chameleon does with a special target practice game. You’ll also have the chance to meet some lizards, geckos and anoles and get your face painted like your favorite animal! As you compete in the events, you’ll learn some of the amazing things animals can do and why several students and Professor Tim Higham of Higham’s Lab of Biomechanics at UC Riverside like to study their behaviors and anatomy. Be sure to visit every station to earn your gold medal!

FAIRY BOOK ANIMALS
Riverside Public Library

Inspired by all the Fairy Books. Make your own Fairy animal totem from 1-2 then enjoy a special storytelling from Rebecca Martin “Fairy Cakes” from 2-3. Then continue to make your own Fairy animal totem from 3-4.

Catch a special dance performance by World to Dance/Room to Dance Studio and enter a chance to win a family pack of four tickets to see *West Side Story* on March 9th at 7 p.m.

***PLEASE NOTE: this program is located at Mission Inn Ave. and Main St. on the Downtown pedestrian mall area.

CELEBRATING CULTURES: INDIA
Mission Inn Museum

Join the Mission Inn Museum as we celebrate cultures that influenced the beautiful art and architecture of the Mission Inn. This month we will be creating works of art inspired by Indian Rangoli. This detailed and colorful decorative craft is traditionally created with colored sand or rice, and the designs are used to celebrate holidays and important events in a family or community’s life. We will be using special colored rice to create our exciting patterns! Frank Miller was inspired by the colorful and intricate designs found in Indian carpets and tapestries, and brought many of these textiles back to Riverside to decorate the Mission Inn during his travels to Asia.

FUN AT RAM
Riverside Art Museum

“I Dream a World” features storyteller Karen Rae Kraut and musician Jay De Angelo. Stories of fantastical dreams that spilled over into real life adventures are sprinkled with dream songs and lots of audience participation. Join Gluck Fellows Chelsea Rector and Marc Abi-Samra in the classroom to craft your own sculpture out of clay. Bring your imagination, play with clay, and discover all we have to offer!
