

The Riverside Neighborhood Partnership mission is to support neighborhoods in organizing to protect and maintain neighborhood quality of life. It is the Partnership's belief that organized neighborhoods are better equipped to tackle problems that periodically emerge. Organized neighborhoods are proactive in addressing crime, disaster preparedness, information sharing, beautification and helping each other. There is power in numbers! Organized neighborhoods create a unified voice at City Hall which can accomplish more than individuals working alone. Organized neighborhoods are fun and improve quality of life for all!
