

Riverside welcomes two new restaurants

While most of us were finishing up our last minute holiday shopping, the owners of Riverside Plaza's newest restaurant were working overtime toward the grand opening of Mazz Bar & Grill. The name Mazz is derived from the Spanish "mas", meaning abundance, and therein lies the promise behind this family-owned businesses recipe for success: an abundance of menu selections, excellent ambiance and exceptional service. The newly remodeled restaurant boasts an open and inviting atmosphere and an eclectic menu of "California Comfort Cuisine" prepared by Chef Alfonso Magana.

On Main Street Riverside a new restaurant offering authentic Thai cuisine opened. Elephant Thai, located at 3720 Mission Inn Avenue next to Coffee Bean & Tea Leaf, provides quality food and service, customer satisfaction and affordable prices. The restaurant offers authentic décor to go along with its wide range of delectable Thai cuisine. Choices from the menu include Panang Curry, Orange Chicken and Pad Thai to name a few and for the most part entrees are less than \$10.

So next time you're looking for a new place to eat, visit Mazz Bar & Grill at the Plaza or Elephant Thai on Main Street Riverside and give them a warm Riverside welcome.
