

Metrolink Holiday Toy Express Train is coming to the La Sierra Metrolink Station

Santa's glittering train, the Holiday Toy Express,[®] is preparing to travel from city to city to entertain families and collect toys for the less fortunate.

This year the Holiday Toy Express will bring joy to all of the communities we serve as it marks its 16th year of operation. This 41 stop tour, which passes through six counties, brings a brightly packaged gift to Metrolink communities – a 450-ton train decorated with holiday displays and 50,000 twinkling lights – and delivers a live musical performance, Santa and community fun.
