CAN'T MAKE IT TO A POOL - VISIT ONE OF THE CITY'S

Cool Centers

The City of Riverside coordinates Cool Centers to provide drop-in sites for vulnerable individuals, seniors, the disabled, and others in need of temporary relief from the heat. Cool Centers are made available to the public when an "Excessive Heat Warning" is issued by the National Weather Service for our area. Residents are encouraged to observe safe summer activities during the warm summer months and to listen or watch for "Excessive Heat Warnings" on radio, television, and local newspaper.
