INSTRUCTIONS

Completed Special Events Permit Applications must be received no later than sixty (60) days prior to the event start date and may be submitted as early as six (6) months prior to the event start date. In general, any organized activity involving the use of, or having impact upon public property, street areas or the temporary use of private property in a manner that varies from its current land use, requires a permit.

It is our goal to assist event organizers in planning safe and successful events that create a minimal impact on the communities and residents surrounding the events.

COMMUNITY CALENDAR

The City of Riverside provides a calendar of upcoming events on the internet and in printed form. Information from your Permit Application is considered public information and may be used in developing the calendar of community events. The City of Riverside Community Calendar can be accessed on the internet at calendar.riversideca.gov. For more information please contact CalendarIntern@riversideca.gov.

PARKS, RECREATION & COMMUNITY SERVICES EVENTS

If you plan to hold your event at a City park it is your responsibility to contact the appropriate division or facility manager within the Parks, Recreation and Community Services Department to coordinate the schedule of your event. Rules, regulations and restrictions unique to each site/facility may apply. For more information please contact the Parks, Recreation & Community Services Department at (951) 826-2000.

PERMIT APPLICATION PROCESS

The Permit Application Process begins when the Event Organizer submits a completed Special Events Permit Application and Non-Refundable Permit Fee. During the initial application screening process you will be allowed time to provide all pending documents (e.g. Liability Insurance Certificate, secondary permits, etc.). We must receive these items before we can begin the Permit Application Process. Upon receipt of your completed Permit Application, a representative from the City will contact you. Thereafter, this person will serve as your City Liaison and will be your primary point of contact for the processing of your permit.

Your City Liaison will distribute, for review, copies of your Permit Application to all City Departments affected by your event. You may be contacted individually by these departments only if they have specific questions or concerns about your event. Please be aware that in some cases you may need to contact federal, state or county agencies in addition to the City of Riverside.

Throughout the Permit Application Process you will be notified if your event requires any additional information, permits, licenses or certificates. Delays in providing the requested items often delay the ability to finish the Permit Application Process and approve a Permit Application in a timely manner and could result in denial of the application.

**Note:** Keep in mind that acceptance of your Permit Application should in no way be construed as final approval or confirmation of your Permit Application.
NON-REFUNDABLE PERMIT FEE

Fees are determined taking into consideration the status of the Host Organization. The Fee is established by resolution of the City Council and may not be waived. Payments must be made by check or money order made payable to the “City of Riverside.” Cash payments will not be accepted.

☐ Host Organization and/or Event Organizer agree, upon request, to pay a refundable Cleaning Deposit no later than ten (10) days prior to the event as a condition of the issuance of the Special Event Permit. Applicant also agrees to pay any clean-up costs, in excess of the deposit, incurred by the City as a result of additional clean-up required to return the event location and surrounding area to its previous condition.

☐ Host Organization and/or Event Organizer agree to notify all residents and businesses that will be affected by street/sidewalk closures and/or amplified sound. If the event will affect access to more than one business, the applicant must notify the Greater Riverside Chambers of Commerce. Notification also includes the posting of Temporary “No Parking” Signs on streets involved in closures for the event.

☐ Host Organization and/or Event Organizer agree to supply warning signs and/or barricades and to situate them in such a position that the road closure may be maintained in a safe and orderly manner.

☐ Host Organization and/or Event Organizer agree that any false statement or material misrepresentation made in support of this application and permit is cause for denial of issuance of a Special Event Permit. Applicant also agrees that failure to adhere to the policies and procedures established by the City of Riverside ordinance number 6102, known as the “Special Events Ordinance”, or any conditions or restrictions imposed upon the permit by the Riverside Police Department or the Riverside Metropolitan Museum, is cause for revocation of the Special Event Permit. Applicant further agrees that the Special Event Permit may be revoked at any time by any supervisor of the Riverside Police Department or Riverside Metropolitan Museum.
