RECONNECTS  
STREETCAR STUDY

## Community Charrette

### What is a charrette and who can attend?

A charrette is a community working session to form planning and design ideas on a subject. This is a public event, and participation is open to the community.

The Streetcar Feasibility Study charrette will focus on the following topics:

- Creating 6 alternative alignments for further study
- Identifying primary destinations to connect to
- Identifying opportunity areas for land use change
- Evaluating different system technologies
- Defining study evaluation criteria priorities (e.g. travel time, cost, land use compatibility, ridership, etc.)

For the latest news regarding this project, or to get involved, visit [www.riversidereconnects.com](http://www.riversidereconnects.com), where you can sign up for e-mail notifications, status updates, and take our survey.

## Join us and share your ideas!

Wednesday, September 24, 2014

6:00 P.M. to 8:30 P.M.

César Chávez Community Center

2060 University Avenue

Riverside, CA 92507
