## **Saturday E-waste Drop Off Provides Environmental, Community and Personal Benefits**

**RIVERSIDE, Calif.** – Do what's best for the environment, our community and your wallet – recycle your old electronics this Saturday, Mar 31 at 2801 Hulen Street, Riverside from 9:00 a.m. to 2:00 p.m.. Recycling saves our landfills and other natural resources, plus all donations get a receipt for tax deduction purposes.

The drop off event is hosted by SmartRiverside, a 501(C)3 non-profit that collects e-waste (computers, TVs, cell phones, toner cartridges and stereos). SmartRiverside refurbishes PCs and then donates them to low-income households.

You may also drop off electronics at 2801 Hulen Street, Monday through Friday from 9am to 4pm as well as the last Saturday of every month.
