Saturday E-waste Drop Off

RIVERSIDE, Calif. – You've replaced the kids out of date electronics with faster, better versions and now it's time to safely and properly dispose of your old electronics. The City has a recycling program for old electronics and is hosting a free drop off event on Sat, August 25th, at the SmartRiverside e-waste collection center located at 2801 Hulen Street in Riverside which is open from 9:00 am to 2:00 pm.

SmartRiverside is a 501(C)3 non-profit that collects e-waste (computers, TVs, cell phones, toner cartridges and stereos), refurbishes PCs and then donates them to low-income households. Donated vehicles are also now accepted. All donations get a receipt for tax deduction purposes.

The collection center is also open during the week from 9am to 4pm and the last Saturday of every month from 9 am to 2 pm.

For more information, go to www.smartriverside.org/ewaste or call the City's Call Center at (951) 826-5311.
