City of Arts & Innovation

April 29, 2013

We are deeply saddened by the loss of former Council Member Ameal Moore (Ward 2) who passed away this morning. Information concerning funeral services will be forthcoming.

Ameal exhibited a quiet strength – a leadership style dependent upon sound decision making, thoughtful reason and building relationships -- friendships.

Riverside is a better place because of his leadership.

His contributions to the City range from leadership in Riverside's sustainability efforts, working tirelessly to improve Riverside's quality of life, and bringing community services for the underserved. His commitment to Riverside was recently recognized by a unanimous vote of the City Council authorizing the naming of Sycamore Canyon Nature Center at Sycamore Canyon Park in his name just less than two weeks ago.

His 12 years of service to the City -- through the highs and lows, joys and pain – impacted so many lives and we are truly grateful.

His honesty, integrity and passion will continue to inspire us as leaders and residents of the City of Riverside.

Sincerely,

Rusty Bailey
Mayor
