Mission Inn Avenue Under Highway 91 Closed for Three Weeks

Caltrans project to clean and preserve freeway overcrossings continues

RIVERSIDE, Calif. – Mission Inn Avenue under Highway 91 will be closed for about three more weeks for painting as Caltrans continues its effort to clean and preserve the underbelly of Highway 91 where it crosses major streets in Riverside.

All vehicle traffic on Mission Inn Avenue under the freeway will remain closed during the work period. Pedestrian access will be maintained during construction activities. No night or weekend work is scheduled.

Once the Mission Inn Avenue project is completed in early July, the same sort of work will be started on Brockton Avenue/Mary Street under Highway 91. Similar traffic closures are expected there as well. A similar project already has been completed on Third Street.

The work is designed to extend the life of each structure. Each overcrossing will receive a pressure wash, spot blast cleaning, and new paint. Caltrans awarded the contract to C.L. Industrial Coatings, Inc.

Residents are advised to use alternate routes. Advanced warning signs will be placed to inform motorists of closures. Plan ahead and rideshare if possible.
