

# FREE MULCH

Mulch from recycled green waste is available to City of Riverside residents **FREE** of charge\*. Proof of residency is required.

Mulch will be loaded directly into pickups or vehicles with trailers. Please bring a tarp to cover your load. Passenger cars and vans must bring containers or bags.

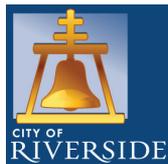

## Why Mulch?

*Mulch is good for your garden!  
It retains moisture so you can save money by watering less. It also helps control erosion and breaks down into nutrients which improve your soil.  
Covering your planting beds with mulch suppresses weeds and makes your garden more attractive.*
