FIRST NEIGHBORHOOD WATCH ACADEMY - A SUCCESS!

Forty-four people graduated from Riverside's first Neighborhood Watch Academy. The group ranged from existing neighborhood watch members to homeowners and apartment dwellers. The academy class was a energetic and dedicated group of people from all walks of life. Twenty-three of the graduates graduated with perfect attendance.

At the academy, participants learned about a variety of topics from illegal street racing to identity theft. Participants not only interacted with each other, but were also greeted by Chief Russ Leach, Deputy Chief Dave Dominguez, Councilman Art Gage, District Attorney Rod Pacheco, Director of Parks Ralph Nuñez, Code Enforcement Division Chief Mark Salazar, and City Planner Ken Gutierrez. Area Commanders—Lieutenant Larry Gonzalez, Lieutenant Mike Perea, and Lieutenant Robert Meier came to greet participants.

The academy was very lucky to have several valuable instructors. A big thank you to Eva Yakutis-McNeil, Dana Lofton, Don Smith, Walt Bieszczad, Monica Crawford, Sergeant Skip Showalter, Communications Supervisor

Kim Moyer, Detectives Danzek, Nelson, Money and Lane, Officer Felix Medina and PSR's Alexander, Turner, Cunningham, Castillo, Sanfilippo, Shook.

This is the first step towards a true co-producer partnership of government and community assets.

It is not what the police Department can do for you it is what we can do together.

We are looking currently for candidates for the up-coming Neighborhood Watch Academy set to begin on October 5, 2006.

Graduates are invited to join Neighborhoodwatchacademyleaders @ yahoogroups.com

WORKING TOGETHER

The Canyon Crest Towne Centre Community Watch, a pilot program, is an excellent example of Riverside Police Chief Leach's vision to "enhance the police department's commitment to community policing by engaging the city's leaders, police department and the public as co-producers of public safety.

The Canyon Crest Towne Centre Community Watch Group is made up of the Towne Centre's management, security, businesses and the surrounding apartment communities and residents. From this partnership good solutions to neighborhood issues will hopefully come. The intent is for this concept to prosper and become the prototype used throughout our city.

If you are a crime free manager who is interested in joining a community watch group in your area, please contact any member of the community policing team.

WELCOME AND FAREWELL
